#### 2. Interim Financial Statements

The consolidated financial statements included herein have been prepared pursuant to the rules and regulations of the U.S. Securities and Exchange Commission. Accordingly, certain information and note disclosures normally included in the annual financial statements prepared in accordance with accounting principles generally accepted in the United States have been condensed or omitted.

In the opinion of management, the accompanying unaudited consolidated financial statements contain all adjustments of a normal, recurring nature, necessary for a fair presentation of the Company's consolidated financial position and results of operations for the interim periods. The interim results for the three and six months ended June 30, 2006 are not necessarily indicative of future results. These financial statements should be read in conjunction with the financial statements and the notes thereto included in the Company's Annual Report on Form 10-K for the gare need December 31, 2005.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investments in Real Estate. Investments in real estate and leasehold interests are stated at cost unless circumstances indicate that cost cannot be recovered, in which case, the carrying value of the property is reduced to estimated fair value. The Company also regularly reviews the impact of above or below-market leases, in-place leases and lease origination costs for all new acquisitions, and records an intangible asset or liability accordingly. Carrying values for financial reporting purposes are reviewed for impairment on a property-by-property basis whenever events or changes in circumstances indicate that the carrying value of a property may not be fully recoverable. Impairment is recognized when estimated expected future cash flows (undiscounted and without interest charges) are less than the carrying value of the property. The estimation of expected future net cash flows is inherently uncertain and relies on assumptions regarding current and future economics and market conditions and the availability of capital. If impairment analysis assumptions change, then an adjustment to the carrying value of the Company's long-lived assets could occur in the future period in which the assumptions change. To the extent that a property is impaired, the excess of the carrying amount of the property over its estimated fair value is charged to earnings. As a result of leasing activity and the economic environment, the Company re-evalued the carrying

International Operations. The U.S. dollar is the functional currency for the Company's subsidiaries operating in the United States and Mexico. The functional currency for the Company's subsidiaries operating outside the United States and Mexico is generally the local currency of the country in which the entity is located. The Company translates income statement accounts using the average exchange rate for the period and significant nonrecurring transactions using the rate on the transaction date. These gains (losses) are included in accumulated other comprehensive income (loss) as a separate component of stockholders' equity.

## 7. Minority Interests in Consolidated Joint Ventures and Preferred Units

Minority interests in the Company represent the limited partnership interests in the Operating Partnership, limited partnership interests in AMB Property II, L.P., a Delaware limited partnership, and interests held by certain third parties in several real estate joint ventures, aggregating approximately 45.1 million square feet, which are consolidated for financial reporting purposes. Such investments are consolidated because the Company exercises significant rights over major operating decisions such as approval of budgets, selection of property managers, asset management, investment activity and changes in financing. These joint venture investments do not meet the variable interest entity criteria under FASB Interpretation No. 40R, Consolidation of Variable Interest Entities.

Through the Operating Partnership, the Company enters into co-investment joint ventures with institutional investors. The Company's co-investment joint ventures are engaged in the acquisition, ownership, operation, management and, in some cases, the renovation, expansion and development of industrial buildings in target markets in North America.

(1) Property net operating income ("NOI") is defined as rental revenue, including reimbursements, less property operating expenses, which excludes depreciation, amortization, general and administrative expenses and interest expense. For a reconciliation of NOI to net income, see the table below.

The Company considers NOI to be an appropriate supplemental performance measure because NOI reflects the operating performance of the Company's real estate portfolio on a segment basis, and the Company uses NOI to make decisions about resource allocations and to assess regional property level performance. However, NOI should not be viewed as an alternative measure of the Company's financial performance since it does not reflect general and administrative expenses, interest expense, depreciation and amortization costs, capital expenditures and leasing costs, or trends in development and construction activities that could materially impact the Company's results from operations. Further, the Company's NOI may not be comparable to that of other real estate companies, as they may use different methodologies for calculating NOI.

## 12. Commitments and Contingencies

#### Commitments

Lease Commitments. The Company holds operating ground leases on land parcels at its on-tarmac facilities, leases on office spaces for corporate use, and a leasehold interest that it holds for investment purposes. The remaining lease terms are from one to 56 years. Operating lease payments are being amortized ratably over the lesser of the terms of the related leases or 40 years.

Standby Letters of Credit. As of June 30, 2006, the Company had provided approximately \$37.1 million in letters of credit, of which \$25.6 million were provided under the Operating Partnership's \$550.0 million unsecured credit facility. The letters of credit were required to be issued under certain ground lease provisions, bank guarantees and other commitments.

Guarantees. Other than parent guarantees associated with the unsecured debt, as of June 30, 2006, the Company had outstanding guarantees in the aggregate amount of \$205.8 million in connection with certain acquisitions. As of June 30, 2006, the Company guaranteed \$26.1 million and \$2.3 million on outstanding loans on two of its consolidated joint ventures, respectively.

Performance and Surety Bonds. As of June 30, 2006, the Company had outstanding performance and surety bonds in an aggregate amount of \$1.0 million. These bonds were issued in connection with certain of its development projects and were posted to guarantee certain tax obligations and the construction of certain real property improvements and infrastructure, such as grading, sewers and streets. Performance and surety bonds are commonly required by public agencies from real estate developers. Performance and surety bonds are renewable and expire upon the payment of the taxes due or the completion of the improvements and infrastructure.

Promoted Interests and Other Contractual Obligations. Upon the achievement of certain return thresholds and the occurrence of certain events, the Company may be obligated to make payments to certain of joint venture partners pursuant to the terms and provisions of their contractual agreements with the Operating Partnership. From time to time in the normal course of the Company's business, the Company enters into various contracts with third parties that may obligate it to make payments or perform other obligations upon the occurrence of certain events.

### Contingencies

Litigation. In the normal course of business, from time to time, the Company may be involved in legal actions relating to the ownership and operations of its properties. Management does not expect that the liabilities, if any, that may ultimately result from such legal actions will have a material adverse effect on the consolidated financial position, results of operations or cash flows of the Company.

Environmental Matters. The Company monitors its properties for the presence of hazardous or toxic substances. The Company is not aware of any environmental liability with respect to the properties that would have a material adverse effect on the Company's business, assets or results of operations. However, there can be no assurance that such a material environmental liability does not exist. The existence of any such material environmental liability would have an adverse effect on the Company's results of operations and cash flow. The Company carries environmental neuron believes that the policy terms, conditions, limits and deductibles are adequate and appropriate under the circumstances, given the relative risk of loss, the cost of such coverage and current industry practice.

General Uninsured Losses. The Company carries property and rental loss, liability, flood and terrorism insurance. The Company believes that the policy terms, conditions, limits and deductibles are adequate and appropriate under the circumstances, given the relative risk of loss, the cost of such coverage and current industry practice. In addition, certain of the Company's properties are located in areas that are subject to earthquake activity; therefore, the Company has obtained limited earthquake insurance on those properties. There are, however, certain types of extraordinary losses, such as those due to acts of war that may be either uninsurable or not economically

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS --- (Continued)

insurable. Although the Company has obtained coverage for certain acts of terrorism, with policy specifications and insured limits that it believes are commercially reasonable, there can be no assurance that the Company will be able to collect under such policies. Should an uninsured loss occur, the Company could lose its investment in, and anticipated profits and cash flows from, a property.

Various properties that the Company owns or leases in New Orleans, Louisiana and South Florida suffered damage in 2005 as a result of Hurricanes Katrina and Wilma. Although the Company expects that its insurance will cover losses arising from this damage in excess of the industry standard deductibles paid by the Company, there can be no assurance the Company will be reimbursed for all losses incurred. Management is not aware of circumstances associated with these losses that would have a material adverse effect on the Company's business, assets or results from operations.

Captive Insurance Company. In December 2001, the Company formed a wholly-owned captive insurance company, Arcata National Insurance Ltd. ("Arcata"), which provides insurance coverage for all or a portion of losses below the deductible under the Company's third-party policies. The Company capitalized Arcata in accordance with the applicable regulatory requirements. Arcata established annual premiums based on projections derived from the past loss experience at the Company's properties. Annually, the Company engages an independent third party to perform an actuarial estimate of future projected claims, related deductibles and projected expenses necessary to fund associated risk management programs. Premiums paid to Arcata may be adjusted based on this estimate. Premiums paid to Arcata have a retrospective component, so that if expenses, including losses, deductibles and reserves, are less than premiums collected, the excess may be returned to the property owners (and, in turn, as appropriate, to the customers) and conversely, subject to certain limitations, if expenses, including losses, deductibles and reserves, are greater than premiums collected, an additional premium will be charged. As with all recoverable expenses, differences between estimated and actual insurance premiums will be recognized in the subsequent year. Through this structure, the Company believes that it has more comprehensive insurance coverage at an overall lower cost than would otherwise be available in the market.

## 13. Stock Incentive Plans

Stock Incentive Plans. The Company has stock option and incentive plans ("Stock Incentive Plans") for the purpose of attracting and retaining eligible officers, directors and employees. The Company has reserved for issuance 18,950,000 shares of common stock under its Stock Incentive Plans. As of June 30, 2006, the Company had 7,649,775 non-qualified options outstanding granted to certain directors, officers and employees. Each option is exchangeable for one share of the Company's common stock. Each option's exercise price is equal to the Company's market price on the date of grant. The options have an original ten-year term and generally vest pro rata in annual installments over a three to five-year period from the date of grant.

The Company adopted SFAS No. 123R, *Share Based Payment*, on January 1, 2006. The Company opted to utilize the modified prospective method of transition in adopting SFAS No. 123R. The effect of this change from applying the original expense recognition provisions of SFAS No. 123, *Accounting for Stock-Based Compensation*, had an immaterial effect on income before minority interests and discontinued operations, income from continuing operations, net income and earnings per share. The effect of this change from applying the original provisions of SFAS No. 123 Accounting *for Stock-Based Compensation*, had an immaterial effect on income before minority interests and discontinued operations, income from continuing operations, net income and earnings per share. The effect of this change from applying the original provisions of SFAS No. 123 had no effect on cash flow from operating and financing activities. The Company recorded a cumulative effect of change in accounting for foreitures. The Company values stock options using the Black-Scholes option-pricing model and recognizes this value as an expense over the vesting periods. Under this standard, recognition of expense for stock options is applied to all options granted after the beginning of the year of adoption. In accordance with SFAS No. 123R, the Company will recognize the associated expense over the three to five-year vesting periods. For the three months ended June 30, 2006 and 2005, under SFAS No. 123R, related stock option and \$0.9 million and \$0.9 million, respectively. For the six months ended June 30, 2006 and 2005, related stock option expense was \$3.1 million and \$3.0 million, respectively. Additionally, the Company awards restricted stock and

recognizes this value as an expense over the vesting periods. During the three months ended June 30, 2006 and 2005, related restricted stock compensation expenses was \$5.1 million and \$1.7 million, respectively. During the six months ended June 30, 2006 and 2005, related restricted stock compensation expense was \$7.8 million and \$3.9 million, respectively. The expense is included in general and administrative expenses in the accompanying consolidated statements of operations. As of June 30, 2006, the Company had \$6.9 million of total unrecognized compensation cost related to unvested options granted under the Stock Incentive Plans which is expected to be recognized over a weighted average period of 1.2 years. Results for prior periods have not been restated.

As a result of adopting SFAS No. 123R on January 1, 2006, the Company's income before income taxes and net income for the three and six months ended June 30, 2006 is \$0.1 million and \$0.5 million, respectively, higher than if the Company had continued to account for share-based compensation under the original provisions of SFAS No. 123. Basic and diluted earnings per share for the three months ended June 30, 2006 would have been the same as the reported numbers at \$0.83 and \$0.80, respectively, if the Company had not adopted SFAS No. 123R. Basic and diluted earnings per share for the six months ended June 30, 2006 would have been the same as the reported numbers at \$1.10 and \$1.06, if the Company had not adopted SFAS No. 123R.

SFAS No. 123R requires the cash flows resulting from tax benefits resulting from tax deductions in excess of the compensation cost recognized for those options (excess tax benefits) to be classified as financing cash flows. The Company does not have any such excess tax benefits.

The fair value of each option grant was estimated at the date of grant using the Black-Scholes option-pricing model. The Company uses historical data to estimate option exercise and employee termination within the valuation model. Expected volatilities are based on historical volatility of the Company's stock. The risk-free rate for periods within the expected life of the option is based on the U.S. Treasury yield curve in effect at the time of the grant. The following assumptions are used for grants during the six months ended June 30, 2006 and 2005, respectively: dividend yields of 3.5% and 4.5%; expected volatility of 17.9% and 17.5%; risk-free interest rates of 4.6% and 3.8%; and expected lives of six and seven years, respectively.

- · a downturn in the U.S., California or the global economy or real estate conditions;
- · losses in excess of our insurance coverage;
- our failure to divest of properties on advantageous terms or to timely reinvest proceeds from any such divestitures;

- · increases in interest rates and operating costs or greater than expected capital expenditures;
- · environmental uncertainties; and
- our failure to qualify and maintain our status as a real estate investment trust under the Internal Revenue Code of 1986, as amended.

Our success also depends upon economic trends generally, various market conditions and fluctuations and those other risk factors discussed under the heading "Risk Factors" and elsewhere in our Annual Report on Form 10-K for the year ended December 31, 2005.

### GENERAL

We commenced operations as a fully integrated real estate company effective with the completion of our initial public offering on November 26, 1997, and elected to be taxed as a real estate investment trust under Sections 856 through 860 of the Internal Revenue Code of 1986 with our initial tax return for the year ended December 31, 1997. AMB Property Corporation and AMB Property, L.P. were formed shortly before the consummation of our initial public offering.

## Management's Overview

The primary source of our revenue and earnings is rent received from customers under long-term (generally three to ten years) operating leases at our properties, including reimbursements from customers for certain operating costs, and from partnership distributions and fees from our private capital business. We also produce earnings from the disposition of operating assets that no longer fit the company's strategy, from the disposition of projects in our development-for-sale program and from the contributions of properties to our co-investment joint ventures. Our long-term growth is driven by our ability to maintain and increase occupancy rates or increase rental rates at our properties, and by our ability to continue to acquire and develop new properties.

National industrial markets continued to improve during the second quarter of 2006. According to Torto Wheaton Research, the positive trend in demand began in the second quarter of 2004 and reversed 14 prior quarters of negatively trending, or rising, space availability. We believe the protracted period of rising availability created a difficult national leasing environment which over the past quarter has been improving, particularly in large industrial property markets tied to global trade. During the three-and-a-half year period of negatively trending industrial space availability, investor demand for industrial property (as supported by our observation of strong national sales volumes and declining acquisition capitalization rates) remained consistently strong. We believe we capitalized on the demand for acquisition property by accelerating the repositioning of our portfolio through the disposition of non-core properties. We plan to continue selling selected assets on an opportunistic basis or that no longer fit our strategic investment objectives, but believe we as substantially achieved our repositioning goals.

The table below summarizes key operating and leasing statistics for our consolidated industrial operating properties as of and for the three and six months ended June 30, 2006 and 2005:

(1) Our U.S. hub and gateway markets include on-tarmac and Atlanta, Chicago, Dallas/Fort Worth, Los Angeles, Northern New Jersey/New York City, the San Francisco Bay Area, Miami and Seattle.

Our industrial operating portfolio occupancy rate was 95.4% at June 30, 2006, as compared to 94.7% at March 31, 2006. Rental rates on industrial renewals and rollovers in our portfolio decreased 0.9% during the quarter ended June 30, 2006, as compared to declines of 11.5% in the prior quarter and 14.6% in the second quarter of 2005. These rental rate declines occurred as leases were entered into or renewed at rates consistent with what we believe to be current market levels. We believe this decline in rents on lease renewals and rollovers is largely concentrated in the San Francisco Bay Area, where a significant portion of the square feet that renewed or rolled in the second quarter of 2006 was in leases that commenced between 1999 and 2001 when rental rates were at their prior peaks in most of our markets. Without the effect of the San Francisco portfolio, the rents on lease renewals and rollover in the remainder of the portfolio increased 1.9% during this quarter, which we believe relates the improving trends in national industrial space availability. We believe that relatively high levels of national industrial space availability caused market, we believe relates the unproving from their peak levels in 2001 to 2005 based on our research data. We believe market rental rates are growing in a number of our markets. Occupancy levels in our portfolio were 530 basis points in excess of the national industrial market, as determined by Torto Wheaton Research, by pricing lease renewals and new leases with sensitivity to local market conditions. During periods of decreasing or stabilizing rental rates, we strove to sign leases with shorter terms to prevent

locking in lower rent levels for long periods and to be prepared to sign new, longer-term leases during periods of growing rental rates. When we sign leases of shorter duration, we attempt to limit overall leasing costs and capital expenditures by offering different grades of tenant improvement packages, appropriate to the lease term.

We expect development to be a significant driver of our earnings growth as we expand our land and development pipeline, and contribute completed development projects into our co-investment program and recognize development profits. We believe that development, renovation and expansion of well-located, high-quality industrial properties should generally continue to provide us with attractive investment opportunities at higher rate of return than we may obtain from the purchase of existing properties. We believe that our development opportunities in Mexico, Japan and China are particularly attractive given the current lack of supply of modern industrial distribution facilities in the major metropolitan markets of these contries. Prior to our global expansion, our development pipeline was \$106.8 million at the end of 2002. During our global expansion, we have increased our development pipeline to approximately \$1.1 billion at June 30, 2006. In addition to our committed development pipeline, we hold a total of 1,524 acres for future development or sale. We believe these 1,524 acres of land could support approximately 27.2 million square feet of future development.

Going forward, we believe that our co-investment program with private-capital investors will continue to serve as a significant source of revenues and capital for new investments. Through these coinvestment joint ventures, we typically earn acquisition and development fees, asset management fees and priority distributions, as well as promoted interests and incentive distributions based on the performance of the co-investment joint ventures; however, we can not assure you that we will continue to do so. Through contribution of development properties to our co-investment joint ventures, we expect to recognize value creation from our development pipeline. As of June 30, 2006, we owned approximately 59.5 million square feet of our properties (48.3% of the total operating and development portfolio) through our consolidated and unconsolidated co-investment joint ventures. We may make additional investments through these co-investment joint ventures in the future and presently plan to do so.

By the end of 2007, we expect to have approximately 15% of our operating portfolio (based on consolidated and unconsolidated annualized base rent) invested in international markets. As of June 30, 2006, our international operating properties comprised 5.6% of our consolidated annualized base rent. When international operating properties owned in unconsolidated joint ventures are included, our annualized base rents from international investments increases to 10.7%. Our North American target markets outside of the United States currently comprise Canada and Mexico. Our European target markets currently comprise Belgium, France, Germany, Italy, Netherlands, Spain and the United Kingdom. Our Asian target markets currently comprise China, Japan, Singapore and South Korea. We expect to add additional target markets outside the United States in the future.

To maintain our qualification as a real estate investment trust, we must pay dividends to our stockholders aggregating annually at least 90% of our taxable income. As a result, we cannot rely on retained earnings to fund our on-going operations to the same extent that other corporations that are not real estate investment trusts can. We must continue to raise capital in both the debt and equity markets to fund our working capital needs, acquisitions and developments. See "Liquidity and Capital Resources" for a complete discussion of the sources of our capital.

### **Critical Accounting Policies**

In the preparation of financial statements, we utilize certain critical accounting policies. Except for SFAS No. 123R discussed below, there have been no material changes in our significant accounting policies, which are included in the notes to our audited financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2005.

Stock-based Compensation Expense. The Company adopted SFAS No. 123R, Share Based Payment, on January 1, 2006. The Company opted to utilize the modified prospective method of transition in adopting SFAS No. 123R. The effect of this change from applying the original expense recognition provisions of SFAS No. 123, *Accounting for Stock-Based Compensation*, had an immaterial effect on income before minority interests and discontinued operations, income from continuing operations, net income and earnings per share, as described in further detail in Note 13 to the consolidated financial statements. The effect of this change from applying the original provisions of SFAS No. 123 had no effect on cash flow from operating and financing activities. The Company recorded a cumulative effect of change in accounting principle in the amount of \$0.2 million as of January 1, 2006 to reflect the change in accounting for forfeitures. The Company values stock options using the Black-Scholes option-pricing model and recognizes this value as an expense over the vesting periods. Under this standard, recognition of expense for stock options is applied to all options granted after the beginning of the year of adoption. In accordance with SFAS No. 123R, the Company will recognize the associated expense over the three to five-year vesting periods. Under SFAS No. 123R, related stock option expense was \$1.0 million and \$0.9 million

during the three months ended June 30, 2006 and 2005, respectively, and \$3.1 million and \$3.0 million during the six months ended June 30, 2006 and 2005, respectively. Additionally, the Company awards restricted stock and recognizes this value as an expense over the vesting periods. Related restricted stock compensation expense was \$5.1 million and \$1.7 million for the three months ended June 30, 2006 and 2005, respectively, and \$7.8 million and \$3.9 million and \$3.9 million and \$0.006 and 2005, respectively. The expense is included in general and administrative expenses in the accompanying consolidated statements of operations. Results for prior periods have not been restated.

### THE COMPANY

AMB Property Corporation, a Maryland corporation, acquires, develops and operates industrial properties in key distribution markets throughout North America, Europe and Asia. We use the terms "industrial properties" or "industrial buildings" to describe various types of industrial properties in our portfolio and use these terms interchangeably with the following: logistics facilities, centers or warehouses; distribution facilities, centers or warehouses; High Throughput Distribution® (HTD®) facilities; or any combination of these terms.

We commenced operations as a fully integrated real estate company effective with the completion of our initial public offering on November 26, 1997. Our strategy focuses on providing properties for customers who value the efficient movement of goods in the world's busiest distribution markets: large, supply-constrained locations with proximity to airports, scaports and major highway systems. As of June 30, 2006, we owned or had investments in, on a consolidated basis or through unconsolidated joint ventures, or managed buildings, properties and development projects expected to total approximately 123.1 million rentable square feet (11.4 million square meters) and 1,118 buildings in 41 markets within eleven countries.

Of the approximately 123.1 million rentable square feet as of June 30, 2006:

- on a consolidated basis, we owned or partially owned 928 industrial buildings, principally warehouse distribution facilities, encompassing approximately 92.2 million rentable square feet that were 95.4% leased;
- we managed, but did not have an ownership interest in, industrial and other properties, totaling approximately 1.5 million rentable square feet;
- through unconsolidated joint ventures, we had investments in 88 industrial operating properties, totaling approximately 14.2 million rentable square feet, and in one industrial development project, expected to total approximately 0.2 million rentable square feet;
- on a consolidated basis, we had investments in 46 industrial development projects which are expected to total approximately 14.0 million rentable square feet upon completion; and
- on a consolidated basis, we owned four development projects, with a total estimated investment of \$89.4 million and approximately 1.0 million rentable square feet, that were available for sale or contribution.

We operate our business primarily through our subsidiary, AMB Property, L.P., a Delaware limited partnership, which we refer to as the "operating partnership". As of June 30, 2006, we owned an approximate 95.3% general partnership interest in the operating partnership, excluding preferred units. As the sole general partner of the operating partnership, we have the full, exclusive and complete responsibility for and discretion in its day-to-day management and control.

Our strategy is to become a leading provider of industrial properties in supply-constrained submarkets located near key international passenger and cargo airports, highway systems and seaports in major metropolitan areas of North America, Europe and Asia. These submarkets are generally tied to global trade.

Our investment strategy generally targets customers whose businesses are tied to global trade, which, according to the World Trade Organization, has grown more than three times the world gross domestic product growth rate during the last 20 years. To serve the facilities needs of these customers, we seek to invest in major distribution markets, transportation hubs and gateways, both in the U.S. and internationally. Our investment strategy targets markets that are generally characterized by large population densities and typically offer substantial

consumer bases, proximity to large clusters of distribution-facility users and significant labor pools. When measured by total consolidated and unconsolidated annualized base rents, 95.4% of our portfolio of industrial properties is located in our target markets, and much of it in in-fill submarkets within our target markets. In-fill locations are characterized by supply constraints on the availability of land for competing projects as well as physical, political or economic barriers to new development.

Further, we focus on HTD® facilities, which are buildings designed to facilitate the rapid distribution of our customers' products rather than storage of goods. Our investment focus on HTD® assets is based on what we believe to be a global trend toward lower inventory levels and expedited supply chains. HTD® facilities generally have a variety of physical characteristics that allow for the rapid transport of goods from point-to-point. These physical characteristics could include numerous dock doors, shallower building depths, fewer columns, large truck courts and more space for trailer parking. We believe that these building characteristics represent an important success factor for time-sensitive customers such as air express, logistics and freight forwarding companies, and that these facilities function best when located in convenient proximity to transportation infrastructure, such as major airports and seaports.

We are self-administered and self-managed and expect that we have qualified and will continue to qualify as a real estate investment trust for federal income tax purposes beginning with the year ended December 31, 1997. As a self-administered and self-managed real estate investment trust, our own employees perform our corporate administrative and management functions, rather than our relying on an outside manager for these services. We manage our portfolio of properties in a flexible operating model which includes both direct property management services under our direction.

Our principal executive office is located at Pier 1, Bay 1, San Francisco, California 94111; our telephone number is (415) 394-9000. We maintain regional offices in Amsterdam, Boston, Chicago, Los Angeles, New Jersey, Shanghai, Singapore, Tokyo and Vancouver. As of June 30, 2006, we employed 339 individuals: 166 in our San Francisco headquarters, 61 in our Boston office and the remainder in our other regional offices. #### **Operating Strategy**

We base our operating strategy on a variety of operational and service offerings, including in-house acquisitions, development, redevelopment, asset management, property management, leasing, finance, accounting and market research. Our strategy is to leverage our expertise across a large customer base, and complement our internal management resources with long-standing relationships with entrepreneurial real estate management and development firms in our target markets.

We believe that real estate is fundamentally a local business and best operated by local teams in each market comprised of AMB employees, local alliance partners or both. We intend to continue to increase utilization of internal management resources in target markets to achieve both operating efficiencies and to expose our customers to the broadening array of AMB service offerings, including access to multiple locations worldwide and build-to-suit developments. We actively manage our portfolio, whether directly or with an alliance partner, by establishing leasing strategies, negotiating lease terms, pricing, and level and timing of property improvements.

#### **Growth Strategies**

### Growth Through Operations

We seek to generate long-term internal growth through rent increases on existing space and renewals on rollover space by working to maintain a high occupancy rate at our properties and to control expenses by capitalizing on the economics of scale inherent in owning, operating and growing a large, global portfolio. During the three months ended June 30, 2006, our average industrial property base rental rates decreased by 0.% from the rent in place at expiration for that space on leases entered into or renewed during the period. This amount excludes expense reimbursements, rental abatements, percentage rents and straight-line rents. Since 2001, as the industrial property market weakened, we have focused on maintaining occupancy levels. During the three months ended June 30, 2006 cash-basis same-store net operating income (rental revenues less property operating expenses and real estate taxes for properties included in the same-store pool, which is set annually and excludes properties purchased or developments stabilized after December 31, 2004) increased by 3.0% on our industrial property is. Since our initial public offring in November 1997, we have experienced average annual increases in industrial property base rental rates of 4.3% and maintained an average quarter-end occupancy rate of 94.9% in our industrial property operating portfolio. While we believe that it is important to view real estate as a long-term investment, past results are not necessarily an indication of future performance. See "Supplemental Earnings Measures" under this Item for a discussion of net operating and market. Item 1: Note 11 of the "Notes to Consolidated Financial Statements" for detailed segment information, including revuenue attributable to each segment, gross investment in a cake segment and total assets.

#### Growth Through Development

We believe that development, redevelopment and expansion of well-located, high-quality industrial properties should continue to provide us with attractive investment opportunities at a higher rate of return than we may obtain from the purchase of existing properties. We believe we have the in-house expertise to create value both through new construction and acquisition and management of value-added properties. Value-added conversion projects represent the redevelopment of land or a building site for a more valuable use and may include such activities as rezoning, reconstructing and retenanting. Both new development and value-added conversions require significant management attention and capital investment to maximize their return. Completed development properties may be held in our portfolio, sold to third parties or contributed to our co-investment joint ventures. We believe our global market presence and expertise will enable us to continue to generate and capitalize on a diverse range of development opportunities.

We believe that the multidisciplinary backgrounds of our employees should provide us with the skills and experience to capitalize on strategic renovation, expansion and development opportunities. Many of our officers have specific experience in real estate development, both with us and with national development firms, and over the past three years, we have expanded our development staff. We pursue development projects directly and in joint ventures, providing us with the flexibility to pursue development projects independently or in partnerships, depending on market conditions, submarkets or building sites.

### Growth Through Acquisitions and Capital Redeployment

We believe that our acquisition experience and our network of property management, leasing and acquisition resources will continue to provide opportunities for growth. In addition to our internal resources, we have long-term relationships with third-party local property management firms, which we believe may give us access to additional acquisition opportunities, as such managers frequently market properties on behalf of sellers. We believe also that our UPREIT structure enables us to acquire land and industrial properties in exchange for limited partnership units in the operating partnership or AMB Property II, L.P., thereby enhancing our attractiveness to owners and developers seeking to transfer properties on a tax-deferred basis. In addition, we seek to redeploy capital from non-strategic assets into properties that better fit our current investment focus.

We are generally engaged in various stages of negotiations for a number of acquisitions and dispositions that may include acquisitions and dispositions of individual properties, large multi-property portfolios or other real estate companies. We cannot assure you that we will consummate any of these transactions. Such transactions, if we

consummate them, may be material individually or in the aggregate. Sources of capital for acquisitions may include retained cash flow from operations, borrowings under our unsecured credit facilities, other forms of secured or unsecured debt financing, issuances of debt or preferred or common equity securities by us or the operating partnership (including issuances of units in the operating partnership or its subsidiaries), proceeds from divestitures of properties, assumption of debt related to the acquired properties and private capital from our co-investment partners.

#### Growth Through Global Expansion

By the end of 2007, we expect to have approximately 15% of our operating portfolio (based on consolidated and unconsolidated annualized base rent) invested in international markets. As of June 30, 2006, our international operating properties comprised 5.6% of our consolidated annualized base rent. When international operating properties owned in unconsolidated joint ventures are included, our annualized base rents from international investments increases to 10.7%. Our North American target markets outside of the United States currently comprise Canada and Mexico. Our European target markets currently comprise Belgium, France, Germany, Italy, Netherlands, Spain and the United Kingdom. Our Asian target markets currently comprise China, Japan, Singapore and South Korea. We expect to add additional target markets outside the United States in the future.

We believe that expansion into international target markets represents a natural extension of our strategy to invest in industrial property markets with high population densities, close proximity to large customer clusters and available labor pools, and major distribution centers serving global trade. Our international expansion strategy mirrors our focus in the United States on supply-constrained submarkets with political, economic or physical constraints to new development. Our international investments extend our offering of HTD® facilities for customers who value speed-to-market over storage. Specifically, we are focused on customers whose business is derived from global trade. In addition, our investments target major consumer distribution markets and customers. We believe that our established customer relationships, our contacts in the air cargo and logistics industries, our underwriting of markets and investments and our strategic alliances with knowledgeable developers and managers will assist us in competing internationally. For a discussion of the amount of our revenues attributable to the United States and international markets, please see Part I, Item 1: Note 11 of the "Notes to Consolidated Financial Statements."

### Growth Through Co-Investments

We co-invest in properties with private capital investors through partnerships, limited liability companies or joint ventures. Our co-investment joint ventures are managed by our private capital group and typically operate under the same investment strategy that we apply to our other operations. Typically, we will own a 20-50% interest in our co-investment joint ventures. We believe that our co-investment program will continue to serve as a source of capital for acquisitions and developments; however, we cannot assure you that it will continue to do so. In addition, our co-investment joint ventures typically allow us to earn acquisition and development fees, asset management fees or priority distributions, as well as promoted interests or incentive distributions based on the performance of the co-investment joint ventures. As of June 30, 2006, we owned approximately 59.5 million square feet of our properties (48.3% of the total operating and development portfolio) through our consolidated and unconsolidated joint ventures.

#### RESULTS OF OPERATIONS

The analysis below includes changes attributable to same store growth, acquisitions, development activity and divestitures. Same store properties are those that we owned during both the current and prior year reporting periods, excluding development properties stabilized after December 31, 2004 (generally defined as properties that are 90% leased or properties for which we have held a certificate of occupancy or where building has been substantially complete for at least 12 months).

As of June 30, 2006, same store industrial properties consisted of properties aggregating approximately 79.1 million square feet. The properties acquired during the three months ended June 30, 2006 consisted of 27 buildings, aggregating approximately 2.5 million square feet. The properties acquired during the three months ended June 30, 2005 consisted of 12 buildings, aggregating approximately 2.1 million square feet. During the three

months ended June 30, 2006, property divestitures consisted of eight buildings, aggregating approximately 0.5 million square feet. During the three months ended June 30, 2005, property divestitures and contributions consisted of 11 industrial buildings, aggregating approximately 1.7 million square feet.

The properties acquired during the six months ended June 30, 2006 consisted of 59 buildings, aggregating approximately 4.6 million square feet. The properties acquired during the six months ended June 30, 2005 consisted of 18 buildings, aggregating approximately 2.9 million square feet. During the six months ended June 30, 2005, property divestitures and contributions consisted of 35 buildings, aggregating approximately 3.2 million square feet. During the six months ended June 30, 2005, property divestitures and contributions consisted of 35 buildings, aggregating approximately 3.2 million square feet. Our future financial condition and results of operations, including rental revenues, may be impacted by the acquisition of additional properties and dispositions. Our future revenues and expenses may vary materially from historical results.

U.S. industrial same store rental revenues increased \$3.5 million from the prior year on a quarter-to-date basis due primarily to improved occupancy and lower levels of free rent in the same store pool. The properties acquired during 2005 consisted of 41 buildings, aggregating approximately 6.9 million square feet. The properties acquired during 2006 consisted of 59 buildings, aggregating approximately 4.6 million square feet. Other industrial revenues include rental revenues from development projects that have reached certain levels of operation and are not yet part of the same store operating pool of properties. In 2005, we continued to acquire properties in China, France, Germany, Japan, Mexico and the Netherlands, resulting in increased international revenues in private capital income of \$1.6 million was primarily due to increased asset management fees from additional assets held in co-investment joint ventures and the formation of AMB Japan Fund I, L.P.

Same store properties' operating expenses showed an increase of \$1.6 million from the prior year on a quarter-to-date basis due primarily to increased insurance costs as evidenced by an increase in property and casualty insurance rates of as much as 30% to 40% over the last year due to hurricane-related losses sustained by the insurance industry. The properties acquired during the fiscal year ended December 31, 2005 consisted of 41 buildings, aggregating approximately 6.9 million square feet. The 2006 acquisitions consisted of 59 buildings, aggregating approximately 4.6 million square feet. Other industrial expenses include expenses from development properties that have reached certain levels of operation and are not yet part of the same store operating pool of properties. In 2005 and 2006, we continued to acquire properties in China, France, Germany, Japan, Mexico and the Netherlands, resulting in increase in international operation and amortization expense was due to the increase in our net investment in real estate. The increase in general and administrative expenses was primarily due to increased stock-based compensation expense vas due to the increase in our net investment in real estate. The increase in general and administrative expenses decreased approximately \$0.6 million from the prior year on a quarter-to-quarter basis due primarily to a decrease in the loss associated with the deferred compensation plan, partially offset by an increase in certain deal costs. Fund costs represent general and administrative costs paid to third parties associated with our co-investment joint ventures.

The \$1.1 million increase in equity in earnings of unconsolidated joint ventures was primarily due to an increase in gains from the disposition of real estate by our unconsolidated joint ventures, partially offset by an increase in expenses by our unconsolidated joint ventures during the quarter. The 2005 gains from disposition of real estate interests resulted from our contribution of \$106.9 million in operating properties to our then newly formed unconsolidated co-investment joint venture, AMB Japan Fund I, L.P. Development profits represent gains from the sale or contribution of \$106.9 million in including land. The increase in development profits was primarily due to increased disposition and contribution volume during the three months ended June 30, 2006. During the three months ended June 30, 2006, we sold an approximately 32,000 square foot development project for \$2.9 million, resulting in an after-tax gain of \$0.1 million. In addition, we received approximately \$0.4 million in connection with the condemnation of a parcel of land resulting in a loss of \$1.0 million, \$0.8 million of which was the joint venture partner's share. During the three months ended June 30, 2006, we contributed one completed development project totaling approximately 0.8 million square feet into AMB Japan Fund I, L.P., and one completed development project totaling approximately of million square feet into AMB-SGP Mexico, LLC, both unconsolidated joint ventures. As a result of these contributions, we recognized an aggregate after-tax gain of \$46.6 million representing the portion of our interest in the contributed properties acquired by the third-party co-investors for cash. During the three months ended June 30, 2005, we sold an approximately 19,000 square foot development project for \$2.1 million resulting in an after-tax gain of \$0.1 million and contributed one completed development project totaling approximately 0.4 million square feet ento AMB-SGP Mexico, LLC and recognized a gain of \$1.9 million. U.S. industrial same store rental revenues increased \$9.1 million from the prior year on a year-to-date basis due primarily to improved occupancy and lower levels of free rent in the same store pool. The properties acquired during 2005 consisted of 41 buildings, aggregating approximately 6.9 million square feet. The properties acquired during 2006 consisted of 59 buildings, aggregating approximately 4.6 million square feet. Other industrial revenues include rental revenues from properties that have been contributed to an unconsolidated joint venture, and accordingly are not classified as discontinued operations in our consolidated financial statements, and development projects that have reached certain levels of operation and are not yet part of the same store operating pool of properties. In 2005 and 2006, we continued to acquire properties in China, France, Germany, Japan, Mexico and the Netherlands, resulting in increased international industrial revenues. The international properties acquired during 2006 consisted of 19 buildings, aggregating approximately 1.5 million square feet. The international properties acquired during 2006 consisted of 19 buildings, aggregating approximately 1.5 million square feet. The international statements in proverties acquired during 2006 consisted of 19 buildings, aggregating approximately 1.4 million square feet. The increase in private capital income was primarily due to increased asset management fees from additional assets held in co-investment joint ventures.

Same store properties' operating expenses increased \$3.2 million from the prior year on a year-to-date basis due primarily to increased insurance costs and real estate taxes. The 2005 acquisitions consist of 41 buildings, aggregating approximately 6.9 million square feet. The 2006 acquisitions consist of 59 buildings, aggregating approximately 4.6 million square feet. Other industrial expenses include expenses from divested properties that have been contributed to an unconsolidated joint venture, and accordingly are not classified as discontinued operations in our consolidated financial statements, and development properties that have reached certain levels of operation and are not yet part of the same store operating pool of properties. In 2005 and 2006, we continued to acquire properties in China, France, Germany, Japan, Mexico and the Netherlands, resulting in increase in international industrial property operating costs. The increase in depreciation and amortization expense was due to the increase in our net investment in real estate. The 2006 impairment loss was taken on several non-core assets as a result of leasing activities and changes in the economic environment and the holding period of cretain assets. The increase in general and administrative expenses was primarily due to increased stock-based compensation expense of \$4.0 million and additional staffing and expenses for new initiatives, including our international and development expansions. Other expenses decreased approximately \$0.6 million from the prior year on a year-to-year basis due primarily to a decrease in losses associated with our co-investment joint ventures.

The \$2.0 million increase in equity in earnings of unconsolidated joint ventures was primarily due to an increase in gains from the disposition of real estate by our unconsolidated joint ventures, partially offset by an increase in expenses by our unconsolidated joint ventures during the six months ended June 30, 2006. The \$3.2 million increase in other income was primarily due to an increase in bank interest income and dividend income related to two of our investments. The 2005 gains from disposition of real estate interests resulted primarily from our contributions of \$106.9 million inoperating properties to our newly formed unconsolidated co-investment joint venture, AMB Japan Fund 1, L.P. Development profits represent gains from the sale or contributions of development projects including land. The increase in development profits was due to increased disposition and contribution volume during the six months ended June 30, 2006. During the six months ended June 30, 2006, we sold one land parcel and an approximately 0.8 million square feet into AMB Japan Fund 1, L.P., and one completed development project for an aggregate sale price of \$7.6 million, resulting in an after-tax gain of \$0.8 million square feet into AMB-SGP Mexico, LLC. As a result of these contributions, we recognized an aggregate after-tax gain of \$46.6 million representing the portion of our interest in the contributed properties acquired by the third-party co-investors for cash. In addition, we received approximately \$0.4 million in connection with the condemnation of a parcel of land resulting in a loss of \$1.0 million, s0.8 million, or subtrave for \$18.0 million. During the six months ended June 30, 2005, we contributed and revelopment project, aggregating approximately 43,000 square feet, as part of our development-for-sale program, for an aggregate price of \$45.0 million, resulting in a loss of \$1.0 million, resulting in an after-tax gain of \$18.0 million. During the six months ended June 30, 2005, we contributed properties acquired by the

In December 2005, we issued 3,000,000 shares of 7.0% Series O Cumulative Redeemable Preferred Stock. The increase in preferred stock dividends is due to the newly-issued shares. In addition, during the six months ended June 30, 2006, AMB Property II, L.P., one of our subsidiaries, redeemed all 840,000 of its outstanding 8.125% Series H Cumulative Redeemable Preferred Limited Partnership Units and all 220,440 of its outstanding 7.75% Series E Cumulative Redeemable Preferred Limited Partnership Units. As a result, we recognized a decrease in income available to common stockholders of \$1.0 million for the original issuance costs, net of discount on repurchase.

### LIQUIDITY AND CAPITAL RESOURCES

Balance Sheet Strategy. In general, we use unsecured lines of credit, unsecured notes, preferred stock and common equity (issued by us and/or the operating partnership and its subsidiaries) to capitalize our 100%-owned assets. Over time, we plan to retire non-recourse, secured debt encumbering our 100%-owned assets and replace that debt with unsecured notes. In managing our co-investment joint ventures, in general, we use non-recourse, secured debt or co-investment joint ventures.

We currently expect that our principal sources of working capital and funding for acquisitions, development, expansion and renovation of properties will include:

- · retained earnings and cash flow from operations;
- · private capital from co-investment partners;
- net proceeds from contribution of properties and completed development projects to our co-investment joint ventures;
- · borrowings under our unsecured credit facilities;
- · other forms of secured or unsecured financing;
- · proceeds from debt or limited partnership unit offerings (including issuances of limited partnership units by our subsidiaries); and
- · net proceeds from divestitures of properties.
- We currently expect that our principal funding requirements will include:
- · working capital;
- · development, expansion and renovation of properties;
- · acquisitions, including our global expansion;
- · debt service; and
- · dividends and distributions on outstanding common and preferred stock and limited partnership units.

*Cash flows.* For the six months ended June 30, 2006, cash provided by operating activities was \$159.9 million as compared to \$81.5 million for the same period in 2005. This change is primarily due to increases in rental rates, partially offset by an increase in general and administrative expenses primarily due to additional staffing and expenses for new initiatives, including our international and development expansion of satellite offices. Cash used in investing activities was \$643.2 million for the six months ended June 30, 2006, as compared to cash used for investing activities was \$643.2 million for the six months ended for additions to interests in unconsolidated joint ventures and an increase in capital distributions received from unconsolidated joint ventures. Cash provided by financing activities was \$444.3 million for the six months ended June 30, 2006, as compared to \$18.2 million for the same period in 2005. This change is primarily due to an increase in capital distributions received from unconsolidated joint ventures. Cash provided by financing activities was \$444.3 million for the six months ended June 30, 2006, as compared to \$18.2 million for the same period in zonos of the repurchase of preferred units during the six months ended June 30, 2006.

We believe that our sources of working capital, specifically our cash flow from operations, borrowings available under our unsecured credit facilities and our ability to access private and public debt and equity capital, are adequate for us to meet our liquidity requirements for the foreseeable future. The unavailability of capital could adversely affect our financial condition, results of operations, cash flow and ability to pay dividends on, and the market price of, our stock.

#### **Capital Resources**

Property Divestitures. During the three months ended June 30, 2006 we divested ourselves of eight industrial buildings aggregating approximately 0.5 million square feet, for an aggregate price of \$37.1 million, with a resulting net gain of \$17.1 million. During the six months ended June 30, 2006, we divested ourselves of 12 industrial buildings, aggregating approximately 0.9 million square feet, for an aggregate price of \$53.9 million, with a resulting net gain of \$24.1 million.

Development Sales and Contributions. During the three months ended June 30, 2006, we sold an approximately 32,000 square foot development project for \$2.9 million, resulting in an after-tax gain of \$0.1 million. In addition, during the three and six months ended June 30, 2006, we received approximately \$0.4 million in connection with the condemnation of a parcel of land resulting in a loss of \$1.0 million, \$8.0 million, resulting in an after-tax gain of \$0.8 million. During the three months ended June 30, 2006, we sold an approximately \$2.0 million, \$2.9 million, \$2.9 million, \$2.9 million, \$2.0 m

Properties Held for Contribution. As of June 30, 2006, we held for contribution to a co-investment joint venture three industrial buildings with an aggregate net book value of \$72.0 million, which, when contributed to the joint venture, will reduce our current ownership interest from approximately 100% to an expected range of 20-50%. These assets are not being held for divestiture under SFAS No. 144.

Properties Held for Divestiture. As of June 30, 2006, we held for divestiture five industrial buildings and one land parcel, which are not in our core markets, do not meet our current strategic objectives or which we have included as part of our development-for-sale program. The divestitures of the properties are subject to negotiation of acceptable terms and other customary conditions. As of June 30, 2006, the net carrying value of the properties held for divestiture was \$46.9 million. Expected net sales proceeds exceed the net carrying value of the properties.

Co-investment Joint Ventures. Through the operating partnership, we enter into co-investment joint ventures with institutional investors. These co-investment joint ventures are managed by our private capital group and provide us with an additional source of capital to fund certain acquisitions, development projects and renovation projects, as well as private capital income. We generally consolidate these joint ventures for financial reporting purposes because they are not variable interest entities and because we are the sole managing general partner and control all major operating decisions. However, in certain cases, our co-investment joint ventures are unconsolidated because we do not control all major operating decisions.

Third-party equity interests in the joint ventures are reflected as minority interests in the consolidated financial statements. As of June 30, 2006, we owned approximately 59.5 million square feet of our properties (48.3% of the total operating and development portfolio) through our consolidated and unconsolidated joint ventures. We may

make additional investments through these joint ventures or new joint ventures in the future and presently plan to do so. Our consolidated co-investment joint ventures at June 30, 2006 (dollars in thousands):

On September 24, 2004, AMB Property II, L.P., a partnership in which Texas AMB I, LLC, a Delaware limited liability company and our indirect subsidiary, owns an approximate 1.0% general partnership interest and the operating partnership owns an approximate 99% common limited partnership interest, issued 729,582 5.0% Series N Cumulative Redeemable Preferred Limited Partnership Units at a price of \$50.00 per unit. In December 2005, our board of directors approved a new two-year common stock repurchase program for the discretionary repurchase of up to \$200.0 million of our common stock. We did not repurchase or retire any shares of our common stock during the three and six months ended June 30, 2006.

Debt. In order to maintain financial flexibility and facilitate the deployment of capital through market cycles, we presently intend to operate with an our share of total debt-to-our share of total market capitalization ratio of approximately 45% or less. As of June 30, 2006, our share of total debt-to-our share of total market capitalization ratio was 37.1%. (See footnote 1 to the Capitalization Ratios table contained in Part 1, Item 2: "Management's Discussion and Analysis of Financial Condition and Results of Operations — Liquidity and Capital Resources" below for our definitions of "our share of total debt.") However, we typically finance our consolidated co-investment joint ventures with secured debt at a loan-to-value ratio of 50-65% per our joint venture partnership agreements. Additionally, we currently intend to manage our capitalization in order to maintain an investment grade rating on our senior unsecured debt. Regardless of these policies, however, our organizational documents do not limit the amount of indebtedness that we may incur. Accordingly, our management could alter or eliminate these policies without stockholder approval or circumstances could arise that could render us unable to comply with these policies.

As of June 30, 2006, the aggregate principal amount of our secured debt was \$1.8 billion, excluding unamortized debt premiums of \$9.7 million. Of the \$1.8 billion of secured debt, \$1.5 billion is secured by properties in our joint ventures. The secured debt is generally non-recourse and bears interest at rates varying from 0.8% to 10.4% per annum (with a weighted average rate of 6.0%) and final maturity dates ranging from October 2006 to January 2025. As of June 30, 2006, \$1.5 billion of the secured debt obligations bear interest at fixed rates with a weighted average interest rate of 6.0%, while the remaining \$282.2 million bear interest at write at weighted average interest rate of 4.1%).

As of June 30, 2006, the operating partnership had outstanding an aggregate of \$1.1 billion in unsecured senior debt securities, which bore a weighted average interest rate of 6.2% and had a weighted average term of 4.4 years. These unsecured senior debt securities include \$300.0 million in notes issued in June 1998, \$225.0 million of medium-term notes, which were issued under the operating partnership's 2000 medium-term note program, \$325.0 million of medium-term notes, which were issued under the operating partnership's 2002 medium-term note program, and approximately \$112.5 million of 5.094% Notes Due 2015, which were issued to Teachers Insurance and Annuity Association of America on July 11, 2005 in a private placement, in exchange for the cancellation of \$100 million of notes that were issued in June 1998 resulting in a discount of approximately \$12.5 million. The unsecured senior debt securities are subject to various covenants. Also included is a \$100.0 million term loan which matures in December 2006.

We guarantee the operating partnership's obligations with respect to its senior debt securities. If we are unable to refinance or extend principal payments due at maturity or pay them with proceeds from other capital transactions, then our cash flow may be insufficient to pay dividends to our stockholders in all years and to repay debt upon maturity. Furthermore, if prevailing interest rates or other factors at the time of refinancing (such as the reluctance of lenders to make commercial real estate loans) result in higher interest rates upon refinancing, then the interest

expense relating to that refinanced indebtedness would increase. This increased interest expense would adversely affect our financial condition, results of operations, cash flow and ability to pay dividends on, and the market price of, our stock.

Credit Facilities. On June 1, 2006, the operating partnership entered into a third amended and restated \$550.0 million unsecured revolving credit agreement that replaced its then-existing \$500.0 million credit facility, which was to mature on June 1, 2007. The borrowers intend to use the proceeds from the facility to an development of properties and for other real estate purposes in Japan, China and South Korea. (a) Our share of total debt is the pro rata portion of the total debt based on our percentage of equity interest in a prace of total debt consolidated joint ventures holding the debt. We believe that our share of total debt is a meaningful supplemental measure, which enables both management and investors to analyze our leverage and to compare our leverage to that of other companies. In addition, it allows for a more meaningful comparison of our debt to that of other companies that do not consolidate their joint ventures. Our share of total debt is not intended to reflect our actual liability should there be a default under any or all of such loans or a liquidation of the joint ventures. The above table reconciles our share of total debt to total consolidated debt, a GAAP financial measure.

(4) Our secured debt and joint venture debt include debt related to international assets in the amount of \$267.4 million. Of this, \$87.4 million is associated with assets located in Asia and the remaining \$180.0 million is related to assets located in Europe.

The anticipated size of our distributions, using only cash from operations, will not allow us to retire all of our debt as it comes due. Therefore, we intend to also repay maturing debt with net proceeds from future debt or equity financings, as well as property divestitures. However, we may not be able to obtain future financings on favorable terms or at all. Our inability to obtain future financings on favorable terms or at all would adversely affect our financial condition, results of operations, cash flow and ability to pay dividends on, and the market price of, our stock.

#### **Capital Commitments**

Developments. During the three months ended June 30, 2006, we initiated four new industrial development projects in North America and Asia with a total estimated investment of \$134.6 million, aggregating an estimated 2.0 million square feet. During the six months ended June 30, 2006, we initiated 11 new industrial development projects in North America and Asia with a total expected investment of \$353.4 million, aggregating approximately 4.9 million square feet. As of June 30, 2006, we had 47 projects in our development pipeline representing a total estimated investment of \$1.1 billion upon completion, of which one industrial project totaling approximately 0.2 million square feet and with an aggregate estimated investment of \$12.6 million upon completion is held in an unconsolidated joint venture. In addition, during the six months ended June 30, 2006, we held four development

projects available for sale or contribution, representing a total estimated investment of \$89.4 million upon completion. Of the total development pipeline, \$656.5 million had been funded as of June 30, 2006, and an estimated \$487.5 million was required to complete current projects. We expect to fund these expenditures with cash from operations, borrowings under our credit facilities, debt or equity issuances, net proceeds from property divestitures and private capital from co-investment partners, which could have an adverse effect on our cash flow.

Acquisitions. During the three months ended June 30, 2006, we acquired 27 industrial buildings, aggregating approximately 2.5 million square feet for a total expected investment of \$246.8 million. During the six months ended June 30, 2006, we acquired 59 industrial buildings, aggregating approximately 4.6 million square feet for a total expected investment of \$400.1 million, of which we acquired 38 buildings through two of our co-investment joint ventures. We generally fund our acquisitions through private capital contributions, borrowings under our credit facilities, cash, debt issuances and net proceeds from property divestitures.

Lease Commitments. We have entered into operating ground leases on certain land parcels, primarily on-tarmac facilities and office space with remaining lease terms from one to 56 years. These operating lease payments are amortized ratably over the lesser of the terms of the related leases or 40 years.

*Co-investment Joint Ventures.* Through the operating partnership, we enter into co-investment joint ventures with institutional investors. These co-investment joint ventures are managed by our private capital group and provide us with an additional source of capital to fund acquisitions, development projects and renovation projects, as well as private capital income. As of June 30, 2006, we had investments in too unconsolidated too-investment joint ventures of up too \$122.1 million. As of June 30, 2006, we may make additional capital contributions to current and planned co-investment joint ventures of up to \$122.1 million (using the exchange rates at June 30, 2006) pursuant to the terms of the joint venture agreements. From time to time, we may raise additional equity commitments for AMB Institutional Alliance Fund III, L.P., an open-ended consolidated oc-investment trust. This would increase our obligation to make additional capital commitments. Pursuant to the terms of the partnership agreement of this fund, we are obligated to contribute 20% of the total equity commitments to the fund until such time our total equity commitments \$150.0 million, at which time, our obligation is reduced to 10% of the total equity commitments. We expect to fund these contributions with cash from operations, borrowings under our credit facilities, debt or equipti susances or not proceeds from property divestitures, which could adversely effect our cash flow.

Captive Insurance Company. In December 2001, we formed a wholly-owned captive insurance company, Arcata National Insurance Ltd., which provides insurance coverage for all or a portion of losses below the deductible under our third-party policies. We capitalized Arcata National Insurance Ltd. in accordance with the applicable regulatory requirements. Arcata National Insurance Ltd. established annual premiums based on projections derived from the past loss experience of our properties. Annually, we engage an independent third party to perform an actuarial estimate of future projected claims, related deductibles and projected expenses necessary to fund associated risk management programs. Premiums paid to Arcata National Insurance Ltd. have a retrospective component, so that if expenses, including losses, deductibles and reserves, are less than premiums collected, the excess may be returned to the property owners (and, in turn, as appropriate, to the customers). Conversely, subject to certain limitations, if expenses, including losses, deductibles and reserves, are greater than premiums collected, an additional premium will be charged. As with all recoverable expenses differences between estimated and actual insurance premiums are recognized in the subsequent year. Through this structure, we believe that we have more comprehensive insurance coverage at an overall lower cost than would otherwise be available in the market.

- Potential Unknown Liabilities. Unknown liabilities may include the following:
- · liabilities for clean-up or remediation of undisclosed environmental conditions;
- claims of customers, vendors or other persons dealing with our predecessors prior to our formation or acquisition transactions that had not been asserted prior to our formation or acquisition transactions;
- · accrued but unpaid liabilities incurred in the ordinary course of business;

- · tax liabilities; and
- · claims for indemnification by the officers and directors of our predecessors and others indemnified by these entities.

#### OFF-BALANCE SHEET ARRANGEMENTS

Standby Letters of Credit. As of June 30, 2006, we had provided approximately \$37.1 million in letters of credit, of which \$25.6 million was provided under the operating partnership's \$550.0 million unsecured credit facility. The letters of credit were required to be issued under certain ground lease provisions, bank guarantees and other commitments.

Guarantees. Other than parent guarantees associated with the unsecured debt, as of June 30, 2006, we had outstanding guarantees in the aggregate amount of \$205.8 million in connection with certain acquisitions. As of June 30, 2006, we guaranteed \$26.1 million and \$2.3 million on outstanding loans on two of our consolidated joint ventures and one of our unconsolidated joint ventures, respectively.

Performance and Surety Bonds. As of June 30, 2006, we had outstanding performance and surety bonds in an aggregate amount of \$1.0 million. These bonds were issued in connection with certain of our development projects and were posted to guarantee certain tax obligations and the construction of certain real property improvements and infrastructure, such as grading, sewers and streets. Performance and surety bonds are renewable and expire upon the payment of the taxes due or the completion of the improvements and infrastructure.

Promoted Interests and Other Contractual Obligations. Upon the achievement of certain return thresholds and the occurrence of certain events, we may be obligated to make payments to certain of our joint venture partners pursuant to the terms and provisions of their contractual agreements with us. From time to time in the normal course of our business, we enter into various contracts with third parties that may obligate us to make payments or perform other obligations upon the occurrence of certain events.

#### SUPPLEMENTAL EARNINGS MEASURES

FFO. We believe that net income, as defined by GAAP, is the most appropriate earnings measure. However, we consider funds from operations, or FFO, as defined by the National Association of Real Estate Investment Trusts (NAREIT), to be a useful supplemental measure of our operating performance. FFO is defined as net income, calculated in accordance with GAAP, less gains (or losses) from dispositions of real estate held for investment purposes and real estate-related depreciation, and adjustments to derive our pro rata share of FFO of consolidated and unconsolidated joint ventures. Further, we do not adjust FFO to eliminate the effects of non-recurring charges. We believe that FFO, as defined by NAREIT, is a meaningful supplemental measure of our operating performance because historical cost accounting for real estate assets in accordance with GAAP implicitly assumes that the value of real estate assets diminishes predictably over time, as reflected through depreciation and amortization expenses. However, since real estate values have historically risen or fallen with market and other conditions, many industry investors and analysts have considered presentation of operating results for real estate state state succuting to freal estate FFO as a supplemental measure of operating performance for real estate investment trusts that excludes historical cost depreciation and amortization, among other items, from net income, as defined by GAAP. We believe that the use of FFO, combined with the required GAAP presentations, has been beneficial in improving the understanding of operating performance because, by excluding gains or losses related to sales of previously depreciated operating real estate assets and real estate assets and real estate assets and real estate depreciation and amortization, FFO can help the investing public compare to eograma or operating real estate between periods or as compared to other companies.

While FFO is a relevant and widely used measure of operating performance of real estate investment trusts, it does not represent cash flow from operations or net income as defined by GAAP and should not be considered as an

alternative to those measures in evaluating our liquidity or operating performance. FFO also does not consider the costs associated with capital expenditures related to our real estate assets nor is FFO necessarily indicative of cash available to fund our future cash requirements. Further, our computation of FFO may not be comparable to FFO reported by other real estate investment trusts that do not define the term in accordance with the current NAREIT definition or that interpret the current NAREIT definition differently than we do.

The following table reflects the calculation of FFO reconciled from net income for the three and six months ended June 30, 2006 and 2005 (dollars in thousands, except per share and unit amounts):

SS NOI. We believe that net income, as defined by GAAP, is the most appropriate earnings measure. However, we consider same store net operating income (SS NOI) to be a useful supplemental measure of our operating performance. For properties that are considered part of the same store pool, see Item 2: "Management's Discussion and Analysis of Financial Condition and Results of Operations — Results of Operations" and "Operating and Leasing Statistics Summary," page 57, Note 1. In deriving SS NOI, we define NOI as rental revenues (as calculated in accordance with GAAP), including reimbursements, less straight-line rents, property operating expenses and real estate taxes. We exclude straight-line rents in calculating SS NOI because we believe it provides a better measure of actual cash basis rental growth for a year-over-year comparison. In addition, we believe that SS NOI helps the investing public compare the operating performance of a company's real estate as compared to other companies.

While SS NOI is a relevant and widely used measure of operating performance of real estate investment trusts, it does not represent cash flow from operations or net income as defined by GAAP and should not be considered as an alternative to those measures in evaluating our liquidity or operating performance. SS NOI also does not reflect general and administrative expenses, interest expense, depreciation and amortization costs, capital expenditures and leasing costs, or trends in development and construction activities that could materially impact our results from operations. Further, our computation of SS NOI may not be comparable to that of other real estate companies, as they may use different methodologies for calculating SS NOI.

The following table reconciles SS NOI from net income for the three and six months ended June 30, 2006 and 2005 (dollars in thousands):

Includes all consolidated industrial operating properties and excludes industrial development and renovation projects.
In addition to owned square feet as of June 30, 2006, we managed, but did not have an ownership interest in, approximately 0.2 million additional square feet of industrial properties. One of our subsidiaries also manages approximately 1.1 million square feet of properties representing the IAT portfolio on behalf of the IAT Air Cargo Facilities Income Fund. We also have investments in approximately 14.2 million square feet of industrial operating properties through our investments in unconsolidated joint ventures.

(3) Consists of second generation leases renewing or re-tenanting with current and prior lease terms greater than one year.

(4) Second generation tenant improvements and leasing commissions per square foot are the total cost of tenant improvements, leasing commissions and other leasing costs incurred during leasing of second generation space divided by the total square feet leased. Costs incurred prior to leasing available space are not included until such space is leased. Second generation space excludes newly-developed square footage or square footage vacant at acquisition.

#### Item 3. Quantitative and Qualitative Disclosures about Market Risk

Market risk is the risk of loss from adverse changes in market prices, interest rates and international exchange rates. Our future earnings and cash flows are dependent upon prevailing market rates. Accordingly, we manage our market risk by matching projected cash inflows from operating, investing and financing activities with projected cash outflows for debt service, acquisitions, capital expenditures, distributions to stockholders and unitholders, and other cash requirements. The majority of our outstanding debt has fixed interest rates, which minimizes the risk of fluctuating interest rates. Our exposure to market risk includes interest rate fluctuations in connection with our credit facilities and other variable rate borvings and our more debt without stockholder approval, thereby increasing our debt service obligations, which could adversely affect our cash flows. As of June 30, 2006, we had two outstanding interest rate swaps with aggregate notional amount of \$34.3 million (in U.S. dollars).

The table below summarizes the market risks associated with our fixed and variable rate debt outstanding before net unamortized debt discounts of \$1.6 million as of June 30, 2006 (dollars in thousands):

(1) Represents 66.9% of all outstanding debt.

(2) Represents 33.1% of all outstanding debt.

If market rates of interest on our variable rate debt increased or decreased by 10%, then the increase or decrease in interest expense on the variable rate debt would be \$5.8 million (net of swaps) annually. As of June 30, 2006, the book value and the estimated fair value of our total consolidated debt (both secured and unsecured) was \$3.9 billion and \$3.7 billion, respectively, based on our estimate of current market interest rates.

As of June 30, 2006 and 2005, variable rate debt comprised 33.1% and 22.0%, respectively, of all our outstanding debt. Variable rate debt was \$1.3 billion and \$747.9 million, respectively, as of June 30, 2006 and 2005. The increase is primarily due to higher outstanding balances on our credit facilities. This increase in our outstanding variable rate debt increases our risk associated with unfavorable interest rate fluctuations.

Financial Instruments. We record all derivatives on the balance sheet at fair value as an asset or liability, with an offset to accumulated other comprehensive income or income. For revenues or expenses denominated in non-functional currencies, we may use derivative financial instruments to manage foreign currency exchange rate risk. Our derivative financial instruments in effect at June 30, 2006 were two interest rate swaps hedging cash flows of our variable rate borrowings based on U.S. Libor (USD) and Euribor (Europe). The following table summarizes our financial instruments as of June 30, 2006:

International Operations. Our exposure to market risk also includes foreign currency exchange rate risk. The U.S. dollar is the functional currency for our subsidiaries operating in the United States and Mexico. The functional currency for our subsidiaries operating outside North America is generally the local currency of the country in which the entity is located, mitigating the effect of foreign exchange gains and losses. Our subsidiaries whose functional currency is not the U.S. dollar translate their financial statements into U.S. dollars. Assets and liabilities are translated at the exchange rate in effect as of the financial statement date. We translate income statement accounts using the average exchange rate for the period and significant nonrecurring transactions using the translate income statement date. The losses resulting from the translation are included in accumulated other comprehensive income as a separate component of stockholders' equity and totaled \$1.6 million for the six months ended June 30, 2006.

Our international subsidiaries may have transactions denominated in currencies other than their functional currency. In these instances, non-monetary assets and liabilities are reflected at the historical exchange rate, monetary assets and liabilities are remeasured at the exchange rate in effect at the end of the period and income statement accounts are remeasured at the average exchange rate for the period. For the three and six months ended June 30, 2006, losses from remeasurement and the sale of two foreign exchange agreements included in our results of operations were \$0.3 million and \$0.2 million, respectively.

We also record gains or losses in the income statement when a transaction with a third party, denominated in a currency other than the entity's functional currency, is settled and the functional currency cash flows realized are more or less than expected based upon the exchange rate in effect when the transaction was initiated.

### Item 4. Controls and Procedures

We maintain disclosure controls and procedures that are designed to ensure that information required to be disclosed in our reports filed under the Securities Exchange Act of 1934, as amended, is recorded, processed, summarized and reported within the time periods specified in the U.S. Securities and Exchange Commission's rules and forms, and that such information is accumulated and communicated to our management, including our chief executive officer, president and chief financial officer, as appropriate, to allow timely decisions regarding required disclosure. In designing and evaluating the disclosure controls and procedures, our management recognizes that any controls and procedures, no matter how well designed and operated, can provide only reasonable assumace of achieving the desired control objectives, and our management is required to apply its judgment in evaluating the cost-benefit relationship of possible controls and procedures. Also, we have investments in certain unconsolidated entities, which are accounted for using the equity method of accounting. As we do not control or manage these entities, our disclosure controls and procedures with respect to such entities are necessarily substantially more limited than those we maintain with respect to our consolidated subsidiaries.

As required by Rule 13a-15(b) of the Securities Exchange Act of 1934, as amended, we carried out an evaluation, under the supervision and with participation of our management, including our chief executive officer, president and chief financial officer, of the effectiveness of the design and operation of our disclosure controls and procedures that were in effect as of the end of the quarter covered by this report. Based on the foregoing, our chief executive officer, president and chief financial officer as the reasonable assurance level.

There have been no changes in our internal control over financial reporting during our most recent fiscal quarter that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

#### PART II

## Item 1. Legal Proceedings

As of June 30, 2006, there were no pending legal proceedings to which we are a party or of which any of our properties is the subject, the adverse determination of which we anticipate would have a material adverse effect upon our financial condition and results of operations.

#### Item 1A. Risk Factors

Except as set forth below, there have been no material changes to the risk factors previously disclosed under Item 1A. of our Annual Report on Form 10-K for the year ended December 31, 2005.

## **Risks Associated With Our International Business**

Our international growth is subject to special risks and we may not be able to effectively manage our international growth.

We have acquired and developed, and expect to continue to acquire and develop, properties outside the United States. Because local markets affect our operations, our international investments are subject to economic fluctuations in the international locations in which we invest. In addition, our international operations are subject to the usual risks of doing business abroad such as revisions in tax treaties or other laws and regulations, including those governing the taxation of our international revenues, restrictions on the transfer of funds, and, in certain parts of the world, uncertainty over property rights and political instability. We cannot predict the likelihood that any of these developments may occur. Further, we have entered, and may in the future enter, into agreements with non-U.S. entities that are governed by the laws of, and are subject to dispute resolution in the courts of, another country or region. We cannot accurately predict whether such a forum would provide us with an effective and efficient means of resolving disputes that may arise. And even if we are able to obtain a satisfactory decision through arbitration or a court proceeding, we could have difficulty enforcing any award or judgment on a timely basis or at all.

We also have offices in many countries outside the United States and, as a result, our operations may be subject to risks that may limit our ability to effectively establish, staff and manage our offices outside the United States, including:

- · Differing employment practices and labor issues;
- · Local business and cultural factors that differ from our usual standards and practices;
- · Regulatory requirements and prohibitions that differ between jurisdictions; and
- Health concerns.

In addition, payroll expenses are paid in local currencies and, therefore, we are exposed to risks associated with fluctuations in the rate of exchange between the U.S. dollar and these currencies.

Further, our business has grown rapidly and continues to grow through international property acquisitions and developments. If we fail to effectively manage our international growth, then our financial condition, results of operations, cash flow and ability to pay dividends on, and the market price of, our stock could be adversely affected.

## Item 2. Unregistered Sales of Equity Securities and Use of Proceeds

None.

#### Item 3. Defaults Upon Senior Securities

None.

WHEREAS, pursuant to Sections 7.3D(ii) and (iii), the Partnership Agreement may be amended by the General Partner to reflect the issuance of additional Partnership Interests pursuant to Sections 4.3C, 4.3F and 4.4 and to set forth the designations, rights, powers, duties and preferences of the holders of any additional Partnership Interests issued pursuant to Article 4;

"Constructively Own" means ownership under the constructive ownership rules described in Exhibit C.

"<u>Contributed Property</u>" means each property or other asset, in such form as may be permitted by the Act, but excluding cash, contributed or deemed contributed to the Partnership (or, to the extent provided in applicable regulations, deemed contributed by the Partnership on termination and reconstitution thereof pursuant to Section 708 of the Code).

"Debt" means, as to any Person, as of any date of determination: (i) all indebtedness of such Person for borrowed money or for the deferred purchase price of property or services; (ii) all amounts owed by such Person to banks or other Persons in respect of reimbursement obligations under letters of credit, surety bonds and other similar instruments guaranteeing payment or other performance of obligations by such Person; (iii) all indebtedness for borrowed money or for the deferred purchase price of property or services secured by any lien on any property owned by such Person, to the extent attributable to such Person's interest in such property, even though such Person has not assumed or become liable for the payment thereof; and (iv) lease obligations of such Person which, in accordance with generally accepted accounting principles, should be capitalized.

"Deemed Partnership Interest Value" means, as of any date with respect to any class of Partnership Interests, the Deemed Value of the Partnership Interests of such class multiplied by the applicable Partner's Percentage Interest of such class.

"Deemed Value of the Partnership Interests" means, as of any date with respect to any class or series of Partnership Interests, (i) the total number of Partnership Units of the General Partner in such class or series of Partnership Interests (as provided for in <u>Sections 4.1 and 4.3.C</u>) issued and outstanding as of the close of business on such date multiplied by the Fair Market Value determined as of such date of a share of capital stock of the General Partner which corresponds to such class or series of Partnership Interests, as adjusted pursuant to Section 7.5 (in the event the General Partner acquires material assets, other than on behalf of the Partnership) and for stock dividends and distributions, stock splits and subdivisions, reverse stock splits and combinations, distribution of warrants or options and distributions of evidences of indebtedness

or assets not received by the General Partner pursuant to a *pro rata* distribution by the Partnership; (ii) <u>divided by</u> the Percentage Interest of the General Partner in such class or series of Partnership Interests on such date; <u>provided</u>, that if no outstanding shares of capital stock of the General Partner correspond to a class of series of Partnership Interests, the Deemed Value of the Partnership Interests with respect to such class or series shall be equal to an amount reasonably determined by the General Partner.

"Depreciation" means, for each fiscal year or other period, an amount equal to the depreciation, amortization or other cost recovery deduction allowable with respect to an asset for such year or other period, except that if the Gross Asset Value of an asset differs from its adjusted basis for Federal income tax purposes at the beginning of such year or other period, Depreciation shall be an amount which bears the same ratio to such beginning Gross Asset Value as the Federal income tax depreciation, amortization or other cost recovery deduction for such year or other period bears to such beginning adjusted tax basis; provided, however, that if the Federal income tax depreciation, amortization or other cost recovery deduction for such year is zero, Depreciation shall be determined with reference to such beginning Gross Asset Value using any reasonable method selected by the General Partner.

"Excess Performance Capital" means, with respect to a Performance Partner, an amount equal to the number of Partnership Units held by such Performance Partner, multiplied by the excess of (i) the Capital Account per Partnership Unit for such Performance Partner; over (ii) the Capital Account per Partnership Unit for a Limited Partner which is not a PLP or a Performance Partner. For purposes of (ii) above, it shall be assumed that the Limited Partner has no special arrangements with the Partnership, other than as set forth in this Agreement, which would cause its Capital Account per Partnership Unit to be different from the Capital Account per Partnership Unit of other Limited Partners who are not Performance Partners or PLPs. If the Partner described in (ii) above does not exist, the amount used for purposes of (ii) shall be the projected Capital Account balance per Partnership Unit for such Partner, determined in the reasonable discretion of the General Partner. For purposes of this definition, to the extent the Capital Account of a Partner which owns both Common Units and Preference Units is being considered, such Capital Account shall be equal to such Partner's Capital Account determined without regard to the adjustments arising from or as a result of the acquisition or ownership of Preference Units by such Partner.

The market price for each such trading day shall be (i) if such shares are listed or admitted to trading on any securities exchange or the Nasdaq National Market, the closing price, regular way, on such day, or if no such sale takes place on such day, the average of the closing bid and asked prices on such day, (ii) if such shares are not listed or admitted to trading on any securities exchange or the Nasdaq National Market, the last reported sale price on such day or, if no sale takes place on such day, the average of the closing bid and asked prices on such day, as reported by a reliable quotation source designated by the General Partner or (iii) if such shares are not listed or admitted to trading on any securities exchange or the Nasdaq National Market and no such last reported sale price or closing bid and asked prices are available, the average of the reported high bid and low asked prices on such day, as reported by a reliable quotation source designated by the General Partner, or if there shall be no bid and asked prices on such day, the average of the high bid and low asked prices, as so reported, on the most recent day (not more than ten (10) days prior to the date in question) for which prices have been so reported; provided, that if there are no bid and asked prices reported during the ten (10) days prior to the date in question, the Fair Market Value of such shares shall be determined by the General Partner acting in good faith on the basis of such quotations and other information as it considers, in its reasonable judgment, appropriate. In the event the REIT Shares Amount for such shares includes rights that a holder of such shares would be entitled to receive, then the Fair Market Value of such rights shall be determined by the General Partner acting in good faith on the basis of such quotations and other information as it considers, in its reasonable judgment, appropriate; provided, that in connection with determining the Deemed Value of the Partnership Interests for purposes of determining the number of additional Partnership Units issuable upon a Capital Contribution funded by an underwritten public offering of shares of capital stock of the General Partner, the Fair Market Value of such shares shall be the public offering price per share of such class of capital stock sold. #### Section 3.4 Representations and Warranties by the Parties

A. Each Partner that is an individual represents and warrants to each other Partner that (i) such Partner has in the case of any Person other than an individual, the power and authority, and in the case of an individual, the legal capacity, to enter into this Agreement and perform such Partner's obligations hereunder, (ii) the consummation of the transactions contemplated by this Agreement to be performed by such Partner will not result in a breach or violation of, or a default under, any agreement by which such Partner or any of such Partner's property is or are bound, or any statute, regulation, order or other law to which such Partner is subject, (iii) such Partner is neither a "foreign person" within the meaning of Section 1445(f) of the Code nor a "foreign partner" within the meaning of Section 1446(e) of the Code and (iv) this Agreement has been duly executed and delivered by such Partner and is binding upon, and enforceable against, such Partner in accordance with its terms.

B. Each Partner that is not an individual represents and warrants to each other Partner that (i) its execution and delivery of this Agreement and all transactions contemplated by this Agreement to be performed by it have been duly authorized by all necessary action, including without limitation, that of its general partner(s), committee(s), trustee(s), beneficiaries, directors and/or stockholder(s), as the case may be, as required, (ii) the consummation of such transactions shall not result in a breach or violation of, or a default under, its certificate of limited

partnership, partnership agreement, trust agreement, limited liability company operating agreement, charter or by-laws, as the case may be, any agreement by which such Partner or any of such Partner's properties or any of its partners, beneficiaries, trustees or stockholders, as the case may be, is or are bound, or any statute, regulation, order or other law to which such Partner or any of its partners, trustees, beneficiaries or stockholders, as the case may be, is or are subject, (iii) such Partner is neither a "foreign person" within the meaning of Section 1445(f) of the Code nor a "foreign partner" within the meaning of Section 1446(e) of the Code and (iv) this Agreement has been duly executed and delivered by such Partner and is binding upon, and enforceable against, such Partner in accordance with its terms.

C. Each Partner represents, warrants and agrees that it has acquired and continues to hold its interest in the Partnership for its own account for investment only and not for the purpose of, or with a view toward, the resale or distribution of all or any part thereof, nor with a view toward selling or otherwise distributing such interest or any part thereof at any particular time or under any predetermined circumstances. Each Partner further represents and warrants that it is a sophisticated investor, able and accustomed to handling sophisticated financial matters for itself, particularly real estate investments, and that it has a sufficiently high net worth that it does not anticipate a need for the funds it has invested in the Partnership in what it understands to be a highly speculative and illiquid investment.

D. Each Partner further represents, warrants and agrees as follows:

(i) Except as provided in <u>Exhibit E</u>, at any time such Partner actually or Constructively Owns a 25% or greater capital interest or profits interest in the Partnership, it does not and will not, without the prior written consent of the General Partner, actually own or Constructively Own (a) with respect to any Tenant that is a corporation, any stock of such Tenant and (b) with respect to any Tenant that is not a corporation, any interests in either the assets or net profits of such Tenant.

(ii) Except as provided in <u>Exhibit F</u>, at any time such Partner actually or Constructively Owns a 25% or greater capital interest or profits interest in the Partnership, it does not, and agrees that it will not without the prior written consent of the General Partner, actually own or Constructively Own, any stock in the General Partner, other than any REIT Shares or other shares of capital stock of the General Partner such Partner may acquire (a) as a result of an exchange of Tendered Units pursuant to <u>Section</u> <u>8.6</u> or (b) upon the exercise of options granted or delivery of REIT Shares pursuant to any Stock Incentive Plan, in each case subject to the ownership limitations set forth in the General Partner.

(iii) Upon request of the General Partner, it will disclose to the General Partner the amount of REIT Shares or other shares of capital stock of the General Partner that it actually owns or Constructively Owns.

(iv) It understands that if, for any reason, (a) the representations, warranties or agreements set forth in <u>Section 3.4.D(i) or (ii)</u> are violated or (b) the Partnership's actual or Constructive Ownership of the REIT Shares or other shares of capital stock of the General Partner violates the limitations set forth in the Charter, then (x) some or all of the Redemption rights or rights of the Limited Partners to exchange

Partnership Interests for Series J Preferred Shares or for Series K Preferred Shares may become non-exercisable, and (y) some or all of such shares owned by the Partners and/or some or all of the Partnership Interests owned by the Limited Partners may be automatically transferred to a trust for the benefit of a charitable beneficiary, as provided in the Charter and Exhibit J of this Agreement, respectively.

E. The representations and warranties contained in <u>Sections 3.4.A. 3.4.B. 3.4.C and 3.4.D</u> shall survive the execution and delivery of this Agreement by each Partner and the dissolution and winding up of the Partnership.

F. Each Partner hereby acknowledges that no representations as to potential profit, cash flows, funds from operations or yield, if any, in respect of the Partnership or the General Partner have been made by any Partner or any employee or representative or Affiliate of any Partner, and that projections and any other information, including, without limitation, financial and descriptive information and documentation, which may have been in any manner submitted to such Partner shall not constitute any representation or warranty of any kind or nature, express or implied.

## Section 3.5 Certain ERISA Matters

Each Partner acknowledges that the Partnership is intended to qualify as a "real estate operating company" (as such term is defined in the Plan Asset Regulation). The General Partner will use its reasonable best efforts to structure the investments in, relationships with and conduct with respect to Properties and any other assets of the Partnership so that the Partnership will be a "real estate operating company" (as such term is defined in the Plan Asset Regulation).

## ARTICLE 4. CAPITAL CONTRIBUTIONS

## Section 4.1 Capital Contributions of the Partners

At the time of their respective execution of this Agreement, the Partners shall make or shall have made Capital Contributions as set forth in Exhibit A to this Agreement. The Partners shall own Partnership Units of the class and in the amounts set forth in Exhibit A and shall have a Percentage Interest in the Partnership as set forth in Exhibit A, which Percentage Interest shall be adjusted in Exhibit A from time to time by the General Partner to the extent necessary to accurately reflect exchanges, redemptions, Capital Contributions, the issuance of additional Partnership Units (including the issuance of Performance Units pursuant to Section 4.3.F) or similar events having an effect on a Partner's Percentage Interest. Except as required by law or as otherwise provided in Sections 4.3, 4.4 and 10.5, no Partner shall be required or permitted to make any additional Capital Contributions or loans to the Partnership. Unless otherwise specified by the General Partner at the time of the creation of any class of Partnership Interests, the corresponding class of capital stock for any Partnership Units issued shall be REIT Shares.

## Section 4.2 Loans by Third Parties

Subject to Section 4.3, the Partnership may incur Debt, or enter into other similar credit, guarantee, financing or refinancing arrangements for any purpose (including, without

The General Partner may, at any time and from time to time, determine that the Partnership requires additional funds ("Additional Funds") for the acquisition of additional Properties or for such other Partnership purposes as the General Partner may determine. Additional Funds may be raised by the Partnership, at the election of the General Partner, in any manner provided in, and in accordance with, the terms of this <u>Section 4.3</u>. No Person shall have any preemptive, preferential or similar right or rights to subscribe for or acquire any Partnership Interest, except as set forth in this <u>Section 4.3</u>.

B. <u>General Partner Loans</u>. The General Partner may enter into a Funding Debt, including, without limitation, Funding Debt that is convertible into REIT Shares, and lend the Additional Funds to the Partnership (a "General Partner Loan"); <u>provided</u>, <u>however</u>, that the General Partner shall not be obligated to lend the net proceeds of any Funding Debt to the Partnership in a manner that would be inconsistent with the General Partner's ability to remain qualified as a REIT. If the General Partner enters into such a Funding Debt, the General Partner Loan will consist of the net proceeds from such Funding Debt and will be on comparable terms and conditions, including interest rate, repayment schedule and costs and expenses, as shall be applicable with respect to or incurred in connection with such Funding Debt.

C. <u>Issuance of Additional Partnership Interests</u>. The General Partner may raise all or any portion of the Additional Funds by accepting additional Capital Contributions of cash. The General Partner may also accept additional Capital Contributions of real property or other non-cash assets. In connection with any such additional Capital Contributions (of cash or property), and subject to <u>Sections 18.6 and 19.6</u> hereof, the General Partner is hereby authorized to cause the Partnership from time to time to issue to Partners (including the General Partner) or other Persons (including, without limitation, in connection with the contribution of property to the Partnership) additional Partnership Units or other Partnership Interests in one or more classes, or one or more series of any of such classes, with such designations, preferences and relative, participating, optional or other special rights, powers, and duties, including rights, powers, and duties senior to then existing Limited Partnership Interests, all as shall be determined by the General Partner in its sole and absolute discretion subject to Delaware law, and as set forth by amendment to this Agreement, including without limitation: (i) the allocations of items of Partnership income, gain, loss, deduction, and credit to such class or series of Partnership Interests; (ii) the right of each such class or series of Partnership Interests upon dissolution and liquidation of the Partnership Units or other Partnership distributions; (iii) the rights of each such class or series of Partnership Interests upon dissolution and liquidation of the Partnership Units or other Partnership Interests shall be issued to the General Partner unless either (a) the additional Partnership Interests are issued in connection with the grant, award, or issuance of shares of the General Partner pursuant to <u>Section 4.3.D</u> below, which shares have designations, preferences, and other rights (except voting rights) such that the economic interests attributable to such shares are substan

preferences and other rights of the additional Partnership Interests issued to the General Partner in accordance with this<u>Section 4.3.C</u> or (b) the additional Partnership Interests are issued to all Partners holding Partnership Interests in the same class in proportion to their respective Percentage Interests in such class. In the event that the Partnership issues additional Partnership Interests pursuant to this <u>Section 4.3.C</u>, the General Partner shall make such revisions to this Agreement (including but not limited to the revisions described in Sections 5.4, 6.2.C, and 8.6) as it determines are necessary to reflect the issuance of such additional Partnership Interests.

D. <u>Issuance of REIT Shares or Other Securities by the General Partner</u>. The General Partner shall not issue any additional REIT Shares (other than REIT Shares issued pursuant to <u>Section 8.6</u> or pursuant to a dividend or distribution (including any stock split) of REIT Shares to all of its stockholders or all of its stockholders who hold a class of stock of the General Partner), other shares of capital stock of the General Partner (other than in connection with the acquisition of Partnership Interests in exchange for capital stock of the General Partner which corresponds in ranking to the Partnership's Partnership Interests being acquired) or New Securities unless the General Partner shall make a Capital Contribution of the net proceeds (including, without limitation, cash and Properties) from the issuance of such additional REIT Shares, other shares of capital stock or New Securities, as the case may be, and from the exercise of the rights contained in such additional New Securities, as the case may be. The General Partner's Capital Account shall be increased by the amount of cash or the value of Properties so contributed.

E. Percentage Interest Adjustments in the Case of Capital Contributions for Partnership Units Upon the acceptance of additional Capital Contributions in exchange for any class or series of Partnership Units, the Percentage Interest related thereto shall be equal to a fraction, the numerator of which is equal to the amount of cash and the Agreed Value of the Properties contributed as of the Business Day immediately preceding the date on which the additional Capital Contributions are made (an "Adjustment Date") and the denominator of which is equal to the sum of (i) the Deemed Value of the Partnership Interests of such class or series (computed as of the Business Day immediately preceding the Adjustment Date) plus (ii) the aggregate amount of cash and the Agreed Value of the Property contributed to the Partnership Interests. The Percentage Interest of each other Partner holding Partnership Interests of such class or series of such class or series of such class or series (computed as of the Business Day immediately preceding the Adjustment Date in respect of such class or series (computed as of the Business Day immediately preceding the Adjustment Date) plus (ii) the adjusted to equal a fraction, the numerator of which is equal to the sum of (i) the Deemed Partnership Interest Value of such Limited Partner in respect of such class or series (computed as of the Business Day immediately preceding the Adjustment Date, and the Agreed Value of the Property contributed by such Partner to the Partnership in respect of such class or series as of such Adjustment Date, and the Agreed Value of the Partnership Interests of such class (computed as of the Business Day immediately preceding the Adjustment Date, and the Agreed Value of the Partnership Interests of such class (computed as of the Business Computed as of the Business Day immediately preceding the Adjustment Date, and the Agreed Value of the Partnership Interests of such class (computed as of the Business Day immediately preceding the Adjustment Date, and the Agreed

The General Partner shall promptly give each Partner written notice of its Percentage Interest, as adjusted.

F. <u>Issuance of Performance Units to the PLPs</u> Pursuant to the terms of the Escrow Agreements, Performance Investors have transferred all or a portion of their Performance Shares to the General Partner or the Partnership (as applicable). To the extent Performance Shares (<u>i.e.</u>, REIT Shares) were transferred by Performance Investors to the General Partner pursuant to the Escrow Agreements, the number of Partnership Units held by the General Partner were automatically reduced by such amount on such date. To the extent Performance Shares (<u>i.e.</u>, Partnership Units) were transferred by Performance Investors to the Partnership pursuant the Escrow Agreements, the number of Partnership Units held by each such Performance Investor were automatically reduced by such amount on such date. To the extent the Partnership Units held by the General Partner or Performance Investors were reduced as set forth in the preceding two sentences, the Partnership immediately issued an equal number of Partnership Units to the Persons listed on <u>Schedule G-1</u> and <u>Schedule G-2</u> to <u>Exhibit G</u> in accordance with the allocations set forth on<u>Exhibit G</u>. The adjustments in the number of Partnership units held by the Performance Partners and the PLPs set forth above did not effect each such Partners' Capital Account in the Partnership (except with respect to subsequent allocations of items of Partnership income, gain, loss, deduction, and credit made to such Partners and possibly with respect to the reissuance of a Performance Unit subsequent to its forfeiture by a PLP) and no PLP was obligated to make a contribution to the capital of the Partnership in connection with the issuance of Performance Units.

### Section 4.4 Stock Incentive Plan

If at any time or from time to time the General Partner sells or issues REIT Shares pursuant to any Stock Incentive Plan, the General Partner shall contribute any proceeds therefrom to the Partnership as an additional Capital Contribution and shall receive an amount of additional Partnership Units equal to the number of REIT Shares so sold or issued. The General Partner's Capital Account shall be increased by the amount of cash so contributed.

#### Section 4.5 No Preemptive Rights

Except to the extent expressly granted by the Partnership pursuant to another agreement, no Person shall have any preemptive, preferential or other similar right with respect to (i) additional Capital Contributions or loans to the Partnership or (ii) issuance or sale of any Partnership Units or other Partnership Interests.

### Section 4.6 Other Contribution Provisions

In the event that any Partner is admitted to the Partnership and is given (or is treated as having received) a Capital Account in exchange for services rendered to the Partnership, such transaction shall be treated by the Partnership and the affected Partner as if the Partnership had compensated such Partner in cash, and the Partner had contributed such cash to

the capital of the Partnership. In addition, with the consent of the General Partner, in its sole discretion, one or more Limited Partners may enter into contribution agreements with the Partnership which have the effect of providing a guarantee of certain obligations of the Partnership.

### ARTICLE 5. DISTRIBUTIONS

#### Section 5.1 Requirement and Characterization of Distributions

The General Partner shall cause the Partnership to distribute all, or such portion as the General Partner may in its discretion determine, Available Cash generated by the Partnership (i) first, to the extent that the amount of cash distributed with respect to any Partnership Interests that are entitled to any preference in distribution for any prior distribution period was less than the required distribution for such outstanding Partnership Interests for such prior distribution period, and to the extent such deficiency has not been subsequently distributed pursuant to this Section 5.1 (a "Preferred Distribution Shortfall"), in accordance with the rights of such class of Partnership Interests (and within such class, pro rata in proportion to the respective Percentage Interests on the applicable record date) and to the Partners who are Partners on the applicable record date with respect to such distribution, (ii) second, with respect to any Partnership Interests that are entitled to any preference in distribution, in accordance with the rights of such class of Partnership Interests (and within such class, pro rata in proportion to the respective Percentage Interests on the applicable record date) and (iii) third, with respect to Partnership Interests that are not entitled to any preference in distribution, pro rata to each such class on a quarterly basis and in accordance with the terms of such class to Partners who are Partners of such class on the Partnership Record Date with respect to such distribution (and within each such class, pro rata in proportion with the respective Percentage Interests on such Partnership Record Date). The General Partner shall take such reasonable efforts, as determined by it in its sole and absolute discretion and consistent with its qualification as a REIT, to cause the Partnership to distribute sufficient amounts to enable the General Partner, for so long as the General Partner has determined to qualify as a REIT, to pay stockholder dividends that will (a) satisfy the requirements for qualifying as a REIT under the Code and Regulations ("REIT Requirements") and (b) except to the extent otherwise determined by the General Partner, avoid any Federal income or excise tax liability of the General Partner, except to the extent that a distribution pursuant to clause (b) would prevent the Partnership from making a distribution to the holders of Series J Preferred Units in accordance with Section 18.3 and the holders of Series K Preferred Units in accordance with Section 19.3.

### Section 5.2 Distributions in Kind

Except as expressly provided herein, no right is given to any Partner to demand and receive property other than cash. The General Partner may determine, in its sole and

absolute discretion, to make a distribution in kind to the Partners of Partnership assets, and such assets shall be distributed in such a fashion as to ensure that the fair market value is distributed and allocated in accordance with <u>Articles 5, 6 and 10</u>; provided, however, that, in such case, the General Partner shall distribute only cash to the Series J Limited Partners and the Series K Limited Partners.

## Section 5.3 Distributions Upon Liquidation

Notwithstanding Section 5.1, proceeds from a Liquidating Event shall be distributed to the Partners in accordance with Section 13.2.

## Section 5.4 Distributions to Reflect Issuance of Additional Partnership Interests

In the event that the Partnership issues additional Partnership Interests (other than Performance Units, which shall receive distributions as set forth in <u>Section 5.1</u>) to the General Partner or any Additional Limited Partner pursuant to <u>Section 4.3.C or 4.4</u>, the General Partner shall make such revisions to this <u>Article 5</u> as it determines are necessary to reflect the issuance of such additional Partnership Interests. In the absence of any agreement to the contrary, an Additional Limited Partner shall be entitled to the distributions set forth in <u>Section 5.1</u> (without regard to this <u>Section 5.4</u>) with respect to the quarter during which the closing of its contribution to the Partnership occurs, multiplied by a fraction the numerator of which is the number of days from and after the date of such closing through the end of the applicable quarter, and the denominator of which is the total number of days in such quarter.

## Section 5.5 Character of PLP Distributions

Distributions to each PLP pursuant to this Agreement shall be advances or drawings of money or property against such Partner's distributive share of Net Income (or items thereof) as described in Treasury Regulation Section 1.731-1(a)(1)(ii).

## ARTICLE 6. ALLOCATIONS

# Section 6.1 Timing and Amount of Allocations of Net Income and Net Loss

Net Income and Net Loss of the Partnership shall be determined and allocated with respect to each fiscal year of the Partnership as of the end of each such year. Subject to the other provisions of this <u>Article 6</u>, an allocation to a Partner of a share of Net Income or Net Loss shall be treated as an allocation of the same share of each item of income, gain, loss or deduction that is taken into account in computing Net Income or Net Loss.

## Section 6.2 General Allocations

Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Partner pursuant thereto. The items to be allocated shall be determined in accordance with Regulations Sections 1.704-2(f)(6) and 1.704-2(j)(2). This <u>Section 6.3.A(i)</u> is intended to qualify as a "minimum gain chargeback" within the meaning of Regulation Section 1.704-2(f) which shall be controlling in the event of a conflict between such Regulation and this <u>Section 6.3.A(i)</u>.

(ii) <u>Partner Minimum Gain Chargeback</u>. Except as otherwise provided in Regulations Section 1.704-2(i)(4), and notwithstanding the provisions of <u>Section 6.2</u>, or any other provision of this <u>Article 6</u> (except <u>Section 6.3.A(i)</u>), if there is a net decrease in Partner Minimum Gain attributable to a Partner Nonrecourse Debt during any fiscal year, each Partner who has a share of the Partner Minimum Gain attributable to such

Partner Nonrecourse Debt, determined in accordance with Regulations Section 1.704-2(i)(5), shall be specially allocated items of Partnership income and gain for such year (and, if necessary, subsequent years) in an amount equal to such Partner's share of the net decrease in Partner Minimum Gain attributable to such Partner Nonrecourse Debt, determined in accordance with Regulations Section 1.704-2(i)(4). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each General Partner and Limited Partner pursuant thereto. The items to be so allocated shall be determined in accordance with Regulations Section 1.704-2(j)(2). This Section 6.3.A(ii) is intended to qualify as a "chargeback of partner nonrecourse debt minimum gain" within the meaning of Regulation Section 1.704-2(i) which shall be controlling in the event of a conflict between such Regulation and this Section 6.3.A(ii).

(iv) <u>Qualified Income Offset</u>. If any Partner unexpectedly receives an adjustment, allocation or distribution described in Regulations Section 1.704-1(b)(2)(ii)(d)(4), (5) or (6), items of Partnership income and gain shall be allocated, in accordance with Regulations Section 1.704-1(b)(2)(ii)(d), to the Partner in an amount and manner sufficient to eliminate, to the extent required by such Regulations, the Adjusted Capital Account Deficit of the Partner as quickly as possible provided that an allocation pursuant to this <u>Section 6.3.A(iv)</u> shall be made if and only to the extent that such Partner would have an Adjusted Capital Account Deficit after all other allocations provided in this <u>Article 6</u> have been tentatively made as if this <u>Section 6.3.A(iv)</u> were not in the Agreement. It is intended that this <u>Section 6.3.A(iv)</u> qualify and be construed as a "qualified income offset" within the meaning of Regulations 1.704-1(b)(2)(ii)(d), which shall be controlling in the event of a conflict between such Regulations and this <u>Section 6.3.A(iv)</u>.

(vi) <u>Limitation on Allocation of Net Loss</u>. To the extent any allocation of Net Loss would cause or increase an Adjusted Capital Account Deficit as to any Partner, such allocation of Net Loss shall be reallocated among the other Partners in accordance with their respective Percentage Interests in Common Units, subject to the limitations of this <u>Section 6.3.A(vi)</u>.

(vii) <u>Section 754 Adjustment</u>. To the extent an adjustment to the adjusted tax basis of any Partnership asset pursuant to Code Section 734(b) or Code Section 743(b) is required, pursuant to Regulations Section 1.704-1(b)(2)(iv)(m)(2) or Regulations Section 1.704-1(b)(2)(iv)(m)(4), to be taken into account in determining Capital Accounts as the result of a distribution to a Partner in complete liquidation of his interest in the Partnership, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss shall be specially allocated to the Partners in accordance with their interests in the Partnership in the event that Regulations Section 1.704-1(b)(2)(iv)(m)(2) applies, or to the Partners to whom such distribution was made in the event that Regulations Section 1.704-1(b)(2)(iv)(m)(2) applies.

The allocations set forth in <u>Sections 6.3.A(i)</u>, (ii), (iii), (iv), (v), (vi), and (vii)(the "Regulatory Allocations") are intended to comply with certain regulatory requirements, including the requirements of Regulations Sections 1.704-1(b) and 1.704-2. Notwithstanding the provisions of <u>Sections 6.1 and 6.2</u>, the Regulatory Allocations shall be taken into account in allocating other items of income, gain, loss and deduction among the Partners so that, to the extent possible, the net amount of such allocations of other items and the Regulatory Allocations to each Partner shall be equal to the net amount that would have been allocated to each such Partner if the Regulatory Allocations had not occurred.

B. For purposes of determining a Partner's proportional share of the "excess nonrecourse liabilities" of the Partnership within the meaning of Regulations Section 1.752-3(a)(3), each Partner's interest in Partnership profits shall be such Partner's Percentage Interest in Common Units.

### Section 6.4 Tax Allocations

Except as otherwise provided in this Section 6.4, for income tax purposes each item of income, gain, loss and deduction (collectively, "Tax Items") shall be allocated among the Partners in the same manner as its correlative item of "book" income, gain, loss or deduction is allocated pursuant to Sections 6.2 and 6.3.

B. <u>Allocations Respecting Section 704(c) Revaluations</u>. Notwithstanding <u>Section 6.4.A</u>, Tax Items with respect to Partnership property that is contributed to the Partnership by a Partner shall be shared among the Partners for income tax purposes pursuant to Regulations promulgated under Section 704(c) of the Code, so as to take into account the variation, if any, between the basis of the property to the Partnership and its initial Gross Asset Value. shall be taken into account under the "traditional method" as described in Regulations Section 1.704-3(b). With respect to properties subsequently contributed to the Partnership, the Partnership shall account for such variation under any method approved under Section 704(c) of the Code and the applicable regulations as chosen by the General Partner. In the event the Gross Asset Value of any Partnership asset is adjusted pursuant to subparagraph (ii) of the definition of Gross Asset Value (provided in <u>Article 1</u>), subsequent allocations of Tax Items with respect to such asset shall take account of the variation, if any, between the adjusted basis of such asset and its Gross Asset Value in the same manner as under Section 704(c) of the Code and the applicable regulations consistent with the requirements of Regulations Section 1.704-1(b)(2)(iv) (g) using any method approved under 704(c) of the Code and the applicable regulations as chosen by the General Partner.

Such reimbursements shall be in addition to any reimbursement to the General Partner as a result of indemnification pursuant to <u>Section 7.7</u>.

C. If and to the extent any reimbursements to the General Partner pursuant to this <u>Section 7.4</u> constitute gross income of the General Partner (as opposed to the repayment of advances made by the General Partner on behalf of the Partnership), such amounts shall constitute guaranteed payments within the meaning of Section 707(c) of the Code, shall be treated consistently therewith by the Partnership and all Partners, and shall not be treated as distributions for purposes of computing the Partners' Capital Accounts.

### Section 7.5 Outside Activities of the General Partner

A. Except in connection with a transaction authorized in Section 11.2, without the Consent of the Limited Partners, the General Partner shall not, directly or indirectly, enter into or conduct any business, other than in connection with the ownership, acquisition and disposition of Partnership Interests as a General Partner and the management of the business of the Partnership, its operation as a public reporting company with a class (or classes) of securities registered under the Exchange Act, its operation as a REIT and such activities as are incidental to the same. Without the Consent of the Limited Partners, the General Partner shall not, directly or indirectly, participate in or otherwise acquire any interest in any real or personal property, except its General Partner Interest, its interest in any Subsidiary Partnership(s) (held directly or indirectly through a Qualified REIT Subsidiary) that the General Partner holds in order to maintain such Subsidiary Partnership's status as a partnership, and such bank accounts, similar instruments or other short-term investments as it deems necessary to carry out its responsibilities contemplated under this Agreement and the Charter. In the event the General Partner desires to contribute cash to any Subsidiary Partnership to acquire or maintain an interest of 1% or less in the capital of such partnership, the General Partner may acquire such cash from the Partnership in exchange for a reduction in the General Partner's Units, in an amount equal to the amount of such cash divided by the Fair Market Value of a REIT Share on the day such cash is received by the General Partner. Notwithstanding the foregoing, the General Partner may acquire Properties in exchange for REIT Shares, to the extent such Properties are immediately contributed by the General Partner to the Partnership, pursuant to the terms described in Section 4.3.E. Any Limited Partner Interests acquired by the General Partner, whether pursuant to exercise by a Limited Partner of its right of Redemption, or otherwise, shall be automatically converted into a General Partner Interest comprised of an identical number of Partnership Units with the same rights, priorities and preferences as the class or series so acquired. If, at any time, the General Partner acquires material assets (other than on behalf of the Partnership) the definition of "REIT Shares Amount" and the definition of "Deemed Value of Partnership Interests" shall be adjusted, as reasonably agreed to by the General Partner and the other Limited Partners, to reflect the relative Fair Market Value of a share of capital stock of the General Partner relative to the Deemed Partnership Interest Value of the related Partnership Unit. The General Partner's General Partner Interest in the Partnership, its minority interest in any Subsidiary Partnership(s) (held directly or indirectly through a Qualified REIT Subsidiary) that the General Partner holds in order to maintain such Subsidiary Partnership's status as a partnership, and interests in such short-term liquid investments, bank accounts or similar instruments as the General Partner deems necessary to carry out its responsibilities contemplated under this Agreement and the Charter are interests which the General Partner is permitted to acquire and hold for purposes of this Section 7.5.A.

B. In the event the General Partner exercises its rights under the Charter to purchase REIT Shares or Preferred Shares, then the General Partner shall cause the Partnership

to redeem from it a number of Partnership Units of the appropriate class as determined based on, in the case of REIT Shares, the REIT Shares Amount equal to the number of REIT Shares so purchased, or in the case of Preferred Shares an equal number of Preferred Units which correspond in ranking to the Preferred Shares so purchased, in each case on the same terms that the General Partner purchased such REIT Shares or Preferred Shares (as applicable).

### Section 7.6 Contracts with Affiliates

A. Except as expressly permitted by this Agreement, the Partnership shall not, directly or indirectly, sell, transfer or convey any property to, or purchase any property from, or borrow funds from, or lend funds to, any Partner or any Affiliate of the Partnership that is not also a Subsidiary of the Partnership, except pursuant to transactions that are on terms that are fair and reasonable and no less favorable to the Partnership than would be obtained from an unaffiliated third party.

B. The General Partner, in its sole and absolute discretion and without the approval of the Limited Partners, may propose and adopt on behalf of the Partnership employee benefit plans funded by the Partnership for the benefit of employees of the General Partner, the Partnership, Subsidiaries of the Partnership or any Affiliate of any of them in respect of services performed, directly or indirectly, for the benefit of the Partnership, the General Partner, or any of the Partnership's Subsidiaries. The General Partner also is expressly authorized to cause the Partnership to issue to it Partnership Units corresponding to REIT Shares issued by the General Partner to repurchase such Partnership Units from the General Partner to the extent necessary to permit the General Partner to repurchase such REIT Shares in accordance with such plan.

# Section 7.7 Indemnification

A. The Partnership shall indemnify an Indemnitee from and against any and all losses, claims, damages, liabilities, joint or several, expenses (including legal fees and expenses), judgments, fines, settlements, and other amounts arising from any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative, that relate to the operations of the Partnership as set forth in this Agreement in which any Indemnitee may be involved, or is threatened to be involved, as a party or otherwise, unless it is established that: (i) the act or omission of the Indemnitee was material to the matter giving rise to the proceeding and either was committed in bad faith or was the result of active and deliberate dishonesty; (ii) the Indemnitee actually received an improper personal benefit in money, property or services; or (iii) in the case of any criminal proceeding, the Indemnitee had reasonable cause to believe that the act or omission was unlawful. Without limitation, the foregoing indemnity shall extend to any liability of any Indemnitee, pursuant to a loan guaranty or otherwise, for any indebtedness of the Partnership or any Subsidiary of the Partnership, including, without limitation, any indebtedness which the Partnership or any Subsidiary of the Partnership has assumed or taken subject to), and the General Partner is hereby authorized and empowered, on behalf of the Partnership, to enter into one or more indemnity agreements consistent with the provisions of this <u>Section 7.7</u> in favor of any Indemnitee having or potentially having liability for any such indebtedness. The termination of any proceeding by judgment, order or settlement does not create a presumption that the Indemnitee did not meet the requisite standard of conduct set forth in this <u>Section 7.7.A</u>. The termination of any proceeding by conviction or upon a plea of *nolo* 

*contendere* or its equivalent, or any entry of an order of probation prior to judgment, creates a rebuttable presumption that the Indemnitee acted in a manner contrary to that specified in this <u>Section 7.7.A</u>. Any indemnification pursuant to this <u>Section 7.7</u> shall be made only out of the assets of the Partnership, and any insurance proceeds from the liability policy covering the General Partner and any Indemnitee, and neither the General Partner nor any Limited Partner shall have any obligation to contribute to the capital of the Partnership or otherwise provide funds to enable the Partnership to fund its obligations under this <u>Section 7.7</u>.

B. Reasonable expenses incurred by an Indemnitee who is a party to a proceeding may be paid or reimbursed by the Partnership in advance of the final disposition of the proceeding upon receipt by the Partnership of (i) a written affirmation by the Indemnitee of the Indemnitee's good faith belief that the standard of conduct necessary for indemnification by the Partnership as authorized in <u>Section 7.7.A</u> has been met and (ii) a written undertaking by or on behalf of the Indemnitee to repay the amount if it shall ultimately be determined that the standard of conduct has not been met.

C. The indemnification provided by this <u>Section 7.7</u> shall be in addition to any other rights to which an Indemnitee or any other Person may be entitled under any agreement, pursuant to any vote of the Partners, as a matter of law or otherwise, and shall continue as to an Indemnitee who has ceased to serve in such capacity.

D. The Partnership may purchase and maintain insurance, on behalf of the Indemnitees and such other Persons as the General Partner shall determine, against any liability that may be asserted against or expenses that may be incurred by any such Person in connection with the Partnership's activities, regardless of whether the Partnership would have the power to indemnify such Person against such liability under the provisions of this Agreement.

E. For purposes of this <u>Section 7.7</u>, the Partnership shall be deemed to have requested an Indemnitee to serve as fiduciary of an employee benefit plan whenever the performance by it of its duties to the Partnership also imposes duties on, or otherwise involves services by, it to the plan or participants or beneficiaries of the plan; excise taxes assessed on an Indemnitee with respect to an employee benefit plan pursuant to applicable law shall constitute fines within the meaning of <u>Section 7.7</u>; and actions taken or omitted by the Indemnitee with respect to an employee benefit plan in the performance of its duties for a purpose reasonably believed by it to be in the interest of the participants and beneficiaries of the plan shall be deemed to be for a purpose which is not opposed to the best interests of the Partnership.

F. In no event may an Indemnitee subject the Limited Partners to personal liability by reason of the indemnification provisions set forth in this Agreement.

G. An Indemnitee shall not be denied indemnification in whole or in part under this <u>Section 7.7</u> because the Indemnitee had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

H. The provisions of this <u>Section 7.7</u> are for the benefit of the Indemnitees, their heirs, successors, assigns and administrators and shall not be deemed to create any rights for the benefit of any other Persons. Any amendment, modification or repeal of this <u>Section 7.7</u>

or any provision hereof shall be prospective only and shall not in any way affect the limitations on the Partnership's liability to any Indemnitee under this Section 7.7 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

I. If and to the extent any reimbursements to the General Partner pursuant to this <u>Section 7.7</u> constitute gross income of the General Partner (as opposed to the repayment of advances made by the General Partner on behalf of the Partnership) such amounts shall constitute guaranteed payments within the meaning of Section 707(c) of the Code, shall be treated consistently therewith by the Partnership and all Partners, and shall not be treated as distributions for purposes of computing the Partners' Capital Accounts.

J. Any indemnification hereunder is subject to, and limited by, the provisions of Section 17-108 of the Act.

K. In the event the Partnership is made a party to any litigation or otherwise incurs any loss or expense as a result of or in connection with any Partner's personal obligations or liabilities unrelated to Partnership business, such Partner shall indemnify and reimburse the Partnership for all such loss and expense incurred, including legal fees, and the Partnership Interest of such Partner may be charged therefor. The liability of a Partner under this <u>Section 7.7.K</u> shall not be limited to such Partner's Partnership Interest, but shall be enforceable against such Partner personally.

# Section 7.8 Liability of the General Partner

A. Notwithstanding anything to the contrary set forth in this Agreement, none of the General Partner and any of its officers, directors, agents and employees shall be liable or accountable in damages or otherwise to the Partnership, any Partners or any Assignees, or their successors or assigns, for losses sustained, liabilities incurred or benefits not derived as a result of errors in judgment or mistakes of fact or law or any act or omission if the General Partner acted in good faith.

B. The Limited Partners expressly acknowledge that the General Partner is acting for the benefit of the Partnership, the Limited Partners and the General Partner's stockholders collectively, that the General Partner is under no obligation to give priority to the separate interests of the Limited Partners or the General Partner's stockholders (including, without limitation, the tax consequences to Limited Partners or Assignees or to stockholders) in deciding whether to cause the Partnership to take (or decline to take) any actions and that the General Partner shall not be liable to the Partnership or to any Limited Partner for monetary damages for losses sustained, liabilities incurred, or benefits not derived by Limited Partners in connection with such decisions; provided, that the General Partner has acted in good faith.

C. Subject to its obligations and duties as General Partner set forth in<u>Section 7.1.A</u>, the General Partner may exercise any of the powers granted to it by this Agreement and perform any of the duties imposed upon it hereunder either directly or by or through its agents. The General Partner shall not be responsible for any misconduct or negligence on the part of any such agent appointed by it in good faith. In no event shall the liability of the General Partner and

its officers, directors, agents and employees, to the Partnership and the Limited Partners under this Section 7.8 be greater than the Partnership Interest of the General Partner.

D. Any amendment, modification or repeal of this Section 7.8 or any provision hereof shall be prospective only and shall not in any way affect the limitations on the liability of the General Partner and any of its officers, directors, agents and employees to the Partnership and the Limited Partners under this Section 7.8 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

## Section 7.9 Other Matters Concerning the General Partner

A. The General Partner may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, debenture, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties.

B. The General Partner may consult with legal counsel, accountants, appraisers, management consultants, investment bankers and other consultants and advisers selected by it, and any act taken or omitted to be taken in reliance upon the opinion of such Persons as to matters which such General Partner reasonably believes to be within such Person's professional or expert competence shall be conclusively presumed to have been done or omitted in good faith and in accordance with such opinion.

C. The General Partner shall have the right, in respect of any of its powers or obligations hereunder, to act through any of its duly authorized officers and a duly appointed attorney or attorneys-in-fact. Each such attorney shall, to the extent provided by the General Partner in the power of attorney, have full power and authority to do and perform all and every act and duty which is permitted or required to be done by the General Partner hereunder.

D. Notwithstanding any other provisions of this Agreement or any non-mandatory provision of the Act, any action of the General Partner on behalf of the Partnership or any decision of the General Partner to refrain from acting on behalf of the Partnership, undertaken in the good faith belief that such action or omission is necessary or advisable in order to protect the ability of the General Partner, for so long as the General Partner has determined to qualify as a REIT, to (i) continue to qualify as a REIT or (ii) except with respect to the distribution of Available Cash to the Series J Limited Partners in accordance with <u>Section 18.3</u> and to the Series K Limited Partners in accordance with <u>Section 19.3</u> avoid the General Partner incurring any taxes under Section 857 or Section 4981 of the Code, is expressly authorized under this Agreement and is deemed approved by all of the Limited Partners.

Each Limited Partner hereby waives any and all defenses or other remedies which may be available against such Person to contest, negate or disaffirm any action of the General Partner in connection with any such dealing. In no event shall any Person dealing with the General Partner or its representatives be obligated to ascertain that the terms of this Agreement have been complied with or to inquire into the necessity or expedience of any act or action of the General Partner or its representatives. ## Section 13.2 Winding Up

A. Upon the occurrence of a Liquidating Event, the Partnership shall continue solely for the purposes of winding up its affairs in an orderly manner, liquidating its assets, and satisfying the claims of its creditors and Partners. No Partner shall take any action that is inconsistent with, or not necessary to or appropriate for, the winding up of the Partnership's business and affairs. The General Partner (or, in the event there is no remaining General Partner, any Person elected by a Majority in Interest of the Limited Partners (the "Liquidator")) shall be responsible for overseeing the winding up and dissolution of the Partnership and shall take full account of the Partnership's liabilities and assets and the Partnership property shall be liquidated as promptly as is consistent with obtaining the fair value thereof, and the proceeds therefrom (which may, to the extent determined by the General Partner, include shares of stock of the General Partner) shall be applied and distributed in the following order:

- (i) First, to the payment and discharge of all of the Partnership's debts and liabilities to creditors other than the Partners;
- (ii) Second, to the payment and discharge of all of the Partnership's debts and liabilities to the General Partner;
- (iii) Third, to the payment and discharge of all of the Partnership's debts and liabilities to the other Partners; and
- (iv) The balance, if any, to the Partners in accordance with their Capital Account balances determined after giving effect to all contributions and distributions for all periods, and after taking into account all Capital Account adjustments for the Partnership taxable year during which the liquidation occurs (other than those made as a result of the liquidating distribution set forth in this <u>Section 13.2.A(iv)</u>).

The General Partner shall not receive any additional compensation for any services performed pursuant to this <u>Article 13</u> other than reimbursement of its expenses as provided in <u>Section 7.4</u>.

B. Notwithstanding the provisions of Section 13.2.A which require liquidation of the assets of the Partnership, but subject to the order of priorities set forth therein, if prior to or upon dissolution of the Partnership the Liquidator determines that an immediate sale of part or all of the Partnership's assets would be impractical or would cause undue loss to the Partners, the Liquidator may, in its sole and absolute discretion, defer for a reasonable time the liquidation of any assets except those necessary to satisfy liabilities of the Partnership (including to those Partners as creditors) and/or distribute to the Partners, in lieu of cash, as tenants in common and in accordance with the provisions of Section 13.2.A, undivided interests in such Partnership assets as the Liquidator deems not suitable for liquidation. Any such distributions in kind shall be made only if, in the good faith judgment of the Liquidator, such distributions in kind are in the best interest of the Partners, and shall be subject to such conditions relating to the disposition and management of such properties as the Liquidator deems reasonable and equitable and to any agreements governing the operation of such properties at such time. The Liquidator shall determine the fair market value of any property distributed in kind using such reasonable method of valuation as it may adopt.

C. The Partnership shall be terminated when any notes received in connection with any such sale or disposition referenced in <u>Section 13.1.E</u> above, or in connection with the liquidation of the Partnership have been paid and all of the cash or property available for application and distribution under this Agreement have been applied and distributed in accordance with this Agreement.

## Section 13.3 Compliance with Timing Requirements of Regulations

In the event the Partnership is "liquidated" within the meaning of Regulations Section 1.704-1(b)(2)(ii)(g), distributions shall be made pursuant to this<u>Article 13</u> to the General Partner and Limited Partners who have positive Capital Accounts in compliance with Regulations Section 1.704-1(b)(2)(ii)(b)(2). If any Partner has a deficit balance in his or her Capital Account (after giving effect to all contributions, distributions and allocations for the taxable years, including the year during which such liquidation occurs), such Partner shall have no obligation to make any contribution to the capital of the Partnership with respect to such deficit, and such deficit shall not be considered a debt owed to the Partnership or to any other Person for any purpose whatsoever, except to the extent otherwise agreed to by such Partner and the General Partner. In the discretion of the Liquidator or the General Partner, a *pro rata* portion of the distributions that would otherwise be made to the General Partner and Limited Partners pursuant to this <u>Article 13</u> may be:

A. distributed to a trust established for the benefit of the General Partner and Limited Partners for the purposes of liquidating Partnership assets, collecting amounts owed to the Partnership, and paying any contingent or unforeseen liabilities or obligations of the Partnership or of the General Partner arising out of or in connection with the Partnership. The assets of any such trust shall be distributed to the General Partner and Limited Partners from time to time, in the reasonable discretion of the Liquidator or the General Partner, in the same proportions and the amount distributed to such trust by the Partnership would otherwise have been distributed to the General Partner and Limited Partners for the trust of this Agreement; or

B. withheld to establish any reserves deemed necessary or appropriate for any contingent or unforeseen liabilities or obligations of the Partnership; and to reflect the unrealized portion of any installment obligations owed to the Partnership; provided that, such withheld amounts shall be distributed to the General Partner and Limited Partners as soon as practicable.

# Section 13.4 Deemed Distribution and Recontribution

Notwithstanding any other provision of this <u>Article 13</u>, in the event the Partnership is liquidated within the meaning of Regulations Section 1.704-1(b)(2)(ii)(g) but no Liquidating Event has occurred, the Partnership's property shall not be liquidated, the Partnership's liabilities shall not be paid or discharged, and the Partnership's affairs shall not be wound up. Instead, the Partnership shall be deemed to have distributed the Partnership property in kind to the General Partner and Limited Partners, who shall be deemed to have assumed and taken such property subject to all Partnership liabilities, all in accordance with their respective Capital Accounts. Immediately thereafter, the General Partner and Limited Partners shall be deemed to have recontributed the Partnership property in kind to the Partnership, which shall be deemed to have assumed and taken such property subject to all such liabilities.

## Section 13.5 Rights of Limited Partners

Except as otherwise provided in this Agreement, each Limited Partner shall look solely to the assets of the Partnership for the return of his Capital Contribution and shall have no right or power to demand or receive property from the General Partner. Except as expressly set forth herein with respect to the rights, priorities and preferences of the Preferred Limited Partners holding any series of Preferred Units, no Limited Partner shall have priority over any other Limited Partner as to the return of his Capital Contributions, distributions or allocations.

### Section 13.6 Notice of Dissolution

In the event a Liquidating Event occurs or an event occurs that would, but for provisions of <u>Section 13.1</u>, result in a dissolution of the Partnership, the General Partner shall, within thirty (30) days thereafter, provide written notice thereof to each of the Partners and to all other parties with whom the Partnership regularly conducts business (as determined in the discretion of the General Partner) and shall publish notice thereof in a newspaper of general circulation in each place in which the Partnership regularly conducts business (as determined in the discretion of the General Partner).

# Section 13.7 Cancellation of Certificate of Limited Partnership

Upon the completion of the liquidation of the Partnership cash and property as provided in <u>Section 13.2</u>, the Partnership shall be terminated and the Certificate and all qualifications of the Partnership as a foreign limited partnership in jurisdictions other than the State of Delaware shall be canceled and such other actions as may be necessary to terminate the Partnership shall be taken.

### Section 13.8 Reasonable Time for Winding-Up

A reasonable time shall be allowed for the orderly winding-up of the business and affairs of the Partnership and the liquidation of its assets pursuant to <u>Section 13.2</u>, in order to minimize any losses otherwise attendant upon such winding-up, and the provisions of this Agreement shall remain in effect between the Partners during the period of liquidation.

### Section 13.9 Waiver of Partition

Each Partner hereby waives any right to partition of the Partnership property.

# ARTICLE 14. AMENDMENT OF PARTNERSHIP AGREEMENT; CONSENTS

# Section 14.1 Amendments

A. The actions requiring consent or approval of the Partners or of the Limited Partners pursuant to this Agreement, including<u>Section 7.3</u>, or otherwise pursuant to applicable law, are subject to the procedures in this <u>Article 14</u>.

B. Amendments to this Agreement requiring the consent or approval of Limited Partners may be proposed by the General Partner or by Limited Partners holding twenty-

five percent (25%) or more of the Partnership Interests held by Limited Partners. Following such proposal, the General Partner shall submit any proposed amendment to the Partners or of the Limited Partners, as applicable. The General Partner shall seek the written consent or approval of the Partners or of the Limited Partners on the proposed amendment or shall call a meeting to vote thereon and to transact any other business that it may deem appropriate. For purposes of obtaining a written consent, the General Partner may require a response within a reasonable specified time, but not less than fifteen (15) days, and failure to respond in such time period shall constitute a consent which is consistent with the General Partner's recommendation (if so recommended); provided that, an action shall become effective at such time as requisite consents are received even if prior to such specified time.

#### Section 14.2 Action by the Partners

A. Meetings of the Partners may be called by the General Partner and shall be called upon the receipt by the General Partner of a written request by Limited Partners holding twenty-five percent (25%) or more of the Partnership Interests held by the Limited Partners. The call shall state the nature of the business to be transacted. Notice of any such meeting shall be given to all Partners not less than seven days nor more than thirty (30) days prior to the date of such meeting. Partners may vote in person or by proxy at such meeting. Whenever the vote of the Percentage Interests of the Partners, or the Consent of the Partners or Consent of the Limited Partners is permitted or required under this Agreement, such vote or Consent may be given at a meeting of Partners or may be given in accordance with the procedure prescribed in Section 14.1.

B. Any action required or permitted to be taken at a meeting of the Partners may be taken without a meeting if a written consent setting forth the action so taken is signed by the Percentage Interests as is expressly required by this Agreement for the action in question. Such consent may be in one instrument or in several instruments, and shall have the same force and effect as a vote of the Percentage Interests of the Partners (expressly required by this Agreement). Such consent shall be filed with the General Partner. An action so taken shall be deemed to have been taken at a meeting held on the effective date so certified.

C. Each Limited Partner may authorize any Person or Persons to act for him by proxy on all matters in which a Limited Partner is entitled to participate, including waiving notice of any meeting, or voting or participating at a meeting. Every proxy must be signed by the Limited Partner or his attorney-in-fact. No proxy shall be valid after the expiration of eleven (11) months from the date thereof unless otherwise provided in the proxy. Every proxy shall be revocable at the pleasure of the Limited Partner executing it.

D. Each meeting of Partners shall be conducted by the General Partner or such other Person as the General Partner may appoint pursuant to such rules for the conduct of the meeting as the General Partner or such other Person deems appropriate.

E. On matters on which Limited Partners are entitled to vote, each Limited Partner shall have a vote equal to the number of Partnership Units held.

### Section 15.7 Waiver

#### Section 15.8 Counterparts

This Agreement may be executed in counterparts, all of which together shall constitute one agreement binding on all the parties hereto, notwithstanding that all such parties are not signatories to the original or the same counterpart. Each party shall become bound by this Agreement immediately upon affixing its signature hereto.

### Section 15.9 Applicable Law

This Agreement shall be construed in accordance with and governed by the laws of the State of Delaware, without regard to the principles of conflicts of law.

If any provision of this Agreement is or becomes invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not be affected thereby.

# Section 15.11 Limitation to Preserve REIT Status

To the extent that any amount paid or credited to the General Partner or its officers, directors, employees or agents pursuant to Section 7.4 or 7.7 would constitute gross income to the General Partner for purposes of Sections 856(c)(2) or 856(c)(3) of the Code (a "General Partner Payment") then, notwithstanding any other provision of this Agreement, the amount of such General Partner Payments for any fiscal year shall not exceed the lesser of:

- (i) an amount equal to the excess, if any, of (a) 4.17% of the General Partner's total gross income (but not including the amount of any General Partner Payments) for the fiscal year which is described in subsections (A) through (H) of Section 856(c)(2) of the Code over (b) the amount of gross income (within the meaning of Section 856(c)(2) of the Code) derived by the General Partner from sources other than those described in subsections (A) through (H) of Section 856(c)(2) of the Code (but not including the amount of any General Partner Payments); or

provided, however, that General Partner Payments in excess of the amounts set forth in subparagraphs (i) and (ii) above may be made if the General Partner, as a condition precedent, obtains an opinion of tax counsel that the receipt of such excess amounts would not adversely affect the General Partner's ability to qualify as a REIT. To the extent General Partner Payments may not be made in a year due to the foregoing limitations, such General Partner Payments shall

carry over and be treated as arising in the following year; provided, however, that such amounts shall not carry over for more than five years, and if not paid within such five year period, shall expire; provided, further, that (a) as General Partner Payments are made, such payments shall be applied first to carry over amounts outstanding, if any and (b) with respect to carry over amounts for more than one Partnership Year, such payments shall be applied to the earliest Partnership Year first.

### Section 18.2 Ranking

The Series J Preferred Units shall, with respect to distribution rights and rights upon voluntary or involuntary liquidation, winding up or dissolution of the Partnership, rank (i) senior to the Common Units and to all Partnership Units the terms of which provide that such Partnership Units shall rank junior to the Series J Preferred Units; (ii) on a parity with the Series K Preferred Units, the Series L Preferred Units, the Series M Preferred Units, the Series O Preferred Units and all other Parity Preferred Units; and (iii) junior to all Partnership Units which rank senior to the Series J Preferred Units.

Such distributions will be payable (A) quarterly in arrears, on the 15<sup>th</sup> day of January, April, July and October of each year and (B) in the event of (i) an exchange of Series J Preferred Units into Series J Preferred Shares, or (ii) a redemption of Series J Preferred Units, on the exchange date or redemption date, as applicable (each a "<u>Series J Preferred Unit Distribution Payment Date</u>"), commencing on the first of such payment dates to occur following their original date of issuance. If any date on which distributions are to be made on the Series J Preferred Units is not a Business Day, then payment of the distribution to be made on such date will be made on the next succeeding day that is a Business Day (and without any interest or other payment in respect of any such delay) except that, if such Business Day is in the next succeeding calendar year, such payment bale to the holders of record of the Series J Preferred Units will be made on such date. Distributions on the Series J Preferred Units will be made to the holders of record of the Series J Preferred Units on the relevant Preferred Units will be made on the immediately preceding Business Day, in each case with the same force and effect as if made on such date. Distributions on the Series J Preferred Units will be made to the holders of record of the Series J Preferred Units on the relevant Preferred Unit Distribution Payment Date

B. <u>Distributions Cumulative</u>. Notwithstanding the foregoing, distributions on the Series J Preferred Units will accrue whether or not the terms and provisions of any agreement of the Partnership at any time prohibit the current payment of distributions, whether or not the Partnership has earnings, whether or not there are funds legally available for the payment of such distributions and whether or not such distributions are authorized. Accrued but unpaid distributions on the Series J Preferred Units will accumulate as of the Preferred Unit Distribution Payment Date on which they first become payable.

#### C. Priority as to Distributors.

(i) So long as any Series J Preferred Units are outstanding, no distribution of cash or other property shall be authorized, declared, paid or set apart for payment on or with respect to any class or series of Partnership Interest represented by Junior Units, nor shall any Junior Units or Parity Preferred Units (including the Series K Preferred Units, the Series L Preferred Units, the Series M Preferred Units and the Series O Preferred Units) be redeemed, purchased or otherwise acquired for any consideration (or any monies be paid to or made available for a sinking fund for the redemption of any such Junior Units or Parity Preferred Units) by the Partnership (except by conversion into or exchange for other Junior Units or Parity Preferred Units) unless, in each case, full cumulative distributions have been or contemporaneously are authorized and paid or authorized and a sum sufficient for the payment thereof set apart for such payment on the Series J Preferred Units and all classes and series of outstanding Parity Preferred Units (including the Series K Preferred Units, the Series L Preferred Units,

Series M Preferred Units and the Series O Preferred Units) into Partnership Interests of the Partnership ranking junior to the Series J Preferred Units as to distributions, or (c) the redemption of Partnership Interests corresponding to Series J Preferred Shares, Parity Preferred Stock (including Series K Preferred Shares, Series L Preferred Shares) with respect to distributions or Junior Stock to be purchased by the General Partner pursuant to the Charter to preserve the General Partner's status as a real estate investment trust, provided that such redemption shall be upon the same terms as the corresponding stock purchase pursuant to the Charter.

(ii) So long as distributions have not been paid in full (or a sum sufficient for such full payment is not so set apart) upon the Series J Preferred Units and any other Parity Preferred Units (including the Series K Preferred Units, the Series L Preferred Units, the Series M Preferred Units and the Series O Preferred Units), all distributions authorized and declared on the Series J Preferred Units and all classes or series of outstanding Parity Preferred Units (including the Series K Preferred Units, the Series L Preferred Units, the Series M Preferred Units is and the Series O Preferred Units, the Series J Preferred Units and the Series O Preferred Units) shall be authorized and declared *pro rata* so that the amount of distributions authorized and declared per Series J Preferred Unit and such other classes or series of Parity Preferred Units shall in all cases bear to each other the same ratio that accrued distributions per Series J Preferred Units do not have cumulative distribution rights) bear to each other. No interest, or sum of money in lieu of interest, shall be payable in respect of any distributions on payments on Series J Preferred Units which may be in arrears.

(iii) Notwithstanding anything to the contrary set forth herein, distributions on Partnership Interests held by either (a) the General Partner or (b) any other holder of Partnership Interest in the Partnership, in each case ranking junior to or on parity with the Series J Preferred Units may be made, without preserving the priority of distributions described in <u>Sections 18.3.C(i) and (ii)</u>, but (i) only to the extent such distributions are required to preserve the real estate investment trust status of the General Partner and (ii) in the case of any holder other than the General Partner only to the extent required by the Partnership Agreement.

D. <u>No Further Rights</u>. Holders of Series J Preferred Units shall not be entitled to any distributions, whether payable in cash, other property or otherwise, in excess of the full cumulative distributions described herein.

B. Notice. Written notice of any such voluntary or involuntary liquidation, dissolution or winding-up of the Partnership, stating the payment date or dates when, and the place or places where, the amounts distributable in such circumstances shall be payable, shall be given by the General Partner pursuant to Section 13.6 hereof.

C. <u>No Further Rights</u>. After payment of the full amount of the liquidating distributions to which they are entitled, Holders of Series J Preferred Units will have no right or claim to any of the remaining assets of the Partnership.

D. <u>Consolidation, Merger or Certain Other Transactions</u>. None of a consolidation or merger of the Partnership with or into another entity, a merger of another entity with or into the Partnership, or a sale, lease, transfer or conveyance of all or substantially all of the Partnership's property or business shall be considered a liquidation, dissolution or winding up of the Partnership.

## Section 18.5 Redemption

A. <u>Redemption</u>. The Series J Preferred Units may not be redeemed prior to September 21, 2006. On or after such date, the Partnership shall have the right to redeem the Series J Preferred Units, in whole or in part, at any time or from time to time, upon not less than 30 nor more than 60 days' written notice, at a redemption price, payable in cash, equal to the Capital Account balance of the holder of Series J Preferred Units (the "<u>Redemption Price</u>"); <u>provided</u>, <u>however</u>, that no redemption pursuant to this <u>Section 18.5</u> will be permitted if the Redemption Price does not equal or exceed the original Capital Contribution of such holder plus the cumulative Priority Return to the redemption date to the extent not previously distributed. If fewer than all of the outstanding Series J Preferred Units are to be redeemed, the Series J Preferred Units to be redeemed shall be selected *pro rata* (as nearly as practicable without creating fractional units).

B. <u>Limitation on Redemption</u>. (i) The Redemption Price of the Series J Preferred Units (other than the portion thereof consisting of accumulated but unpaid distributions) is payable solely out of the sale proceeds of capital stock of the General Partner, which will be contributed by the General Partner to the Partnership as an additional capital contribution, or out of the sale of limited partner interests in the Partnership and from no other source. For purposes of the preceding sentence, "capital stock" means any equity securities (including Common Stock and Preferred Stock (as such terms are defined in the Charter)), depository shares, interests, participation or other ownership interests (however designated) and any rights (other than debt securities convertible into or exchangeable for equity securities) or options to purchase any of the foregoing.

(ii) The Partnership may not redeem fewer than all of the outstanding Series J Preferred Units unless all accumulated and unpaid distributions have been paid on all Series J Preferred Units for all quarterly distribution periods terminating on or prior to the date of redemption.

C. <u>Procedures for Redemption</u> (i) Notice of redemption will be (i) faxed, and (ii) mailed by the Partnership, by certified mail, postage prepaid, not less than 30 nor more than 60 days prior to the redemption date, addressed to the respective holders of record of the Series J Preferred Units at their respective addresses as they appear on the records of the Partnership. No failure to give or defect in such notice shall affect the validity of the proceedings for the redemption of any Series J Preferred Units except as to the holder to whom such notice was defective or not given. In addition to any information required by law, each such notice shall state: (a) the redemption date, (b) the Redemption Price, (c) the aggregate

number of Series J Preferred Units to be redeemed and if fewer than all of the outstanding Series J Preferred Units are to be redeemed, the number of Series J Preferred Units to be redeemed held by such holder, which number shall equal such holder's *pro rata* share (based on the percentage of the aggregate number of outstanding Series J Preferred Units that the total number of Series J Preferred Units held by such holder represents) of the aggregate number of Series J Preferred Units to be redeemed, (d) the place or places where such Series J Preferred Units are to be surrendered for payment of the Redemption Price, (e) that distributions on the Series J Preferred Units to be redeemed will cease to accumulate on such redemption date and (f) that payment of the Redemption Price will be made upon presentation and surrender of such Series J Preferred Units.

(ii) If the Partnership gives a notice of redemption in respect of Series J Preferred Units (which notice will be irrevocable) then, by 12:00 noon, New York City time, on the redemption date, the Partnership will deposit irrevocably in trust for the benefit of the Series J Preferred Units being redeemed funds sufficient to pay the applicable Redemption Price and will give irrevocable instructions and authority to pay such Redemption Price to the holders of the Series J Preferred Units upon surrender of the Series J Preferred Units by such holders at the place designated in the notice of redemption. On and after the date of redemption, distributions will cease to accumulate on the Series J Preferred Units or portions thereof called for redemption unless the Partnership defaults in the payment thereof. If any date fixed for redemption of Series J Preferred Units is not a Business Day, then payment of the Redemption Price payable on such date will be made on the next succeeding day that is a Business Day (and without any interest or other payment in respect of any such delay) except that, if such Business Day falls in the next calendar year, such payment will be made on the immediately preceding Business Day, in each case with the same force and effect as if made on such date fixed for redemption. If payment of the Redemption Price is improperly withheld or refused and not paid by the Partnership, distributions on such Series J Preferred Units will continue to accumulate from the original redemption date to the date of payment, in which case the actual payment date will be considered the date fixed for redemption for purposes of calculating the applicable Redemption Price.

#### Section 18.6 Voting Rights

A. General. Holders of the Series J Preferred Units will not have any voting rights or right to consent to any matter requiring the consent or approval of the Limited Partners, except as set forth below and in Section 7.3.E.

B. <u>Certain Voting Rights</u>. So long as any Series J Preferred Units remain outstanding, the Partnership shall not, without the affirmative vote of the holders of at least two-thirds of the Series J Preferred Units outstanding at the time (i) authorize or create, or increase the authorized or issued amount of, any class or series of Partnership Interests ranking prior to the Series J Preferred Units with respect to payment of distributions or rights upon liquidation, dissolution or winding-up or reclassify any Partnership Interests of the Partnership into any such Partnership Interest, or create, authorize or issue any obligations or security convertible into or evidencing the right to purchase any such Partnership Interest, or create, authorize or issue any obligations or security convertible into or evidencing the right to purchase any such Partnership Interest or create, authorize or issue any obligations or security convertible into or evidencing the right to purchase any such Partnership Interest or create, authorize or issue any obligations or security convertible into or evidencing the right to purchase any such Partnership Interest or create, authorize or issue any obligations or security convertible into or evidencing the right to purchase any such

Partnership Interests but only to the extent such Parity Preferred Units are issued to an affiliate of the Partnership, other than the General Partner to the extent the issuance of such interests was to allow the General Partner to issue corresponding preferred stock to persons who are not affiliates of the Partnership or (iii) either consolidate, merge into or with, or convey, transfer or lease its assets substantially as an entirety to, any corporation or other entity or amend, alter or repeal the provisions of the Partnership Agreement (including, without limitation, this <u>Article 18</u>), whether by merger, consolidation or otherwise, in each case in a manner that would materially and adversely affect the powers, special rights, preferences, privileges or voting power of the Series J Preferred Units or the holders thereof; <u>provided</u>, <u>however</u>, that with respect to the occurrence of any event set forth in (iii) above, so long as (a) the Partnership is the surviving entity and the Series J Preferred Units remain outstanding with the terms thereof unchanged, or (b) the resulting, surviving or transferee entity (I) is a partnership, limited liability company or other pass-through entity organized under the laws of any state, (II) is not taxable as a corporation for U.S. federal income tax purposes and (III) substitutes the Series J Preferred Units for other interests in such entity having substantially the same terms and rights as the Series J Preferred Units, including with respect to distributions, voting rights and rights upon liquidation, dissolution or winding-up, then the occurrence of any such event shall not be deemed to materially and adversely affect such rights, privileges or voting powers of the Series J Preferred Units; and <u>provided further</u>, that any increase in the amount of Partnership Interests or the creation or issuance of any other class or series of Partnership Interests was to allow the General Partner to issue corresponding preferred stock to persons who are not affiliates of the Partners

### Section 18.7 Transfer Restrictions

The Series J Preferred Units shall be subject to the provisions of Article 11 hereof; provided, however, that the Series J Preferred Units shall not be subject to the right of first refusal of the General Partner as described in <u>Section 11.3</u> hereof. No transfer of Series J Preferred Units, or other action by the holder or holders of such Units, is permitted, without the consent of the General Partner which consent may be given or withheld in its sole and absolute discretion, if such transfer or other action would result in more than two partners holding all outstanding Series J Preferred Units within the meaning of Treasury Regulation Section 1.7704-1(h)(1)(ii) (without regard to Treasury Regulation Section 1.7704-1(h)(3)(ii)); provided, however, that the General Partner's consent may not be unreasonably withheld if (a) such transfer or other action would not result in more than five partners holding all outstanding Series J Preferred Units within the meaning of Treasury Regulation Section 1.7704-1(h)(1)(ii) (without regard to Treasury Regulation Section 1.7704-1(h)(3)(ii)); provided, however, that the General Partner's consent may not be unreasonably withheld if (a) such transfer or other action would not result in more than five partners holding all outstanding Series J Preferred Units within the meaning of Treasury Regulation Section 1.7704-1(h)(1)(ii) (without regard to Treasury Regulation Section 1.7704-1(h)(3)(ii)) and (b) the General Partner cannot rely on Treasury Regulation Section 1.7704-1(h)(1)(ii) (without regard to Treasury Regulation Section 1.7704-1(h)(3)(iii)) and (b) the General Partner cannot rely on Treasury Regulation Section 1.7704-1(h)(1)(ii) (or avoid classification of Operating Partnership as a PTP. In addition, no transfer may be made to any person if such transfer would cause the exchange of the Series J Preferred Units for Series J Preferred Units or projected results that there exists (in the reasonable judgment of such holders) an imminent and substantial risk that such holder's i

"<u>19.5% Limit</u>"), (ii) such holders deliver to the General Partner an opinion of independent counsel to the effect that there is a substantial risk that such holder's interest in the Partnership represents or will represent more than the 19.5% Limit (determined in accordance with Regulations Section 1.731-2(e)(4)), and (iii) the General Partner agrees with the conclusions referred to in clauses (i) and (ii) of this sentence, such agreement not to be unreasonably withheld, then such holders shall, subject to the above limitations, be permitted to transfer so much of their Series J Preferred Units as may be appropriate to alleviate the risk of not satisfying the 19.5% Limit to the trust described in Exhibit J, with such holders having the rights set forth in such Exhibit.

### Section 18.8 Exchange Rights

A. Right to Exchange. (i) Series J Preferred Units will be exchangeable in whole but not in part unless expressly otherwise provided herein at anytime on or after September 21, 2011, at the option of the holders of 51% of all outstanding Series J Preferred Units, for authorized but previously unissued Series J Preferred Shares at an exchange rate of one Series J Preferred Share from the General Partner for one Series J Preferred Unit, subject to adjustment as described below (the "Exchange Price"), provided that the Series J Preferred Units will become exchangeable at any time, in whole but not in part unless expressly otherwise provided herein, at the option of the holders of 51% of all outstanding Series J Preferred Units for Series J Preferred Shares (x) if at any time full distributions shall not have been timely made on any Series J Preferred Unit with respect to six (6) prior quarterly distribution periods, whether or not consecutive, provided, however, that a distribution in respect of Series J Preferred Units shall be considered timely made if made within two (2) Business Days after the applicable Preferred Unit Distribution Payment Date if at the time of such late payment there shall not be any prior quarterly distribution periods in respect of which full distributions were not timely made, or (y) at any time (A) the holders of 51% of the Series J Preferred Units conclude (in the reasonable judgment of such holders) that the Partnership, if it otherwise were taxable as a real estate investment trust, either (1) will not or likely will not satisfy the income tests of Section 856 of the Code for the year in which such determination is made or (2) will not or likely will not satisfy the asset tests of Section 856 of the Code as of the end of the calendar quarter in which such determination is made, which failure will not or is unlikely to be (or is subsequently not) cured as permitted under Section 856 of the Code, (B) the holders deliver to the General Partner an opinion of a nationally recognized independent counsel to the effect of the conclusion set forth in clause (A) of this sentence, (C) such failure would create a meaningful risk that a holder of the Series J Preferred Units would fail to maintain its qualification as a real estate investment trust and (D) the General Partner agrees with the conclusions referred to in clauses (A) and (B) of this sentence, such agreement not to be unreasonably withheld. Furthermore, the Series J Preferred Units, if the holders of 51% of all outstanding Series J Preferred Units so determine, may be exchanged in whole but not in part (regardless of whether held by one or more holders) for Series J Preferred Shares if (1) the holders of 51% of all outstanding Series J Preferred Units conclude based on results or projected results that there exists (in the reasonable judgment of such holder) an imminent and substantial risk that the holder's interest in the Partnership represents or will represent more than the 19.5% Limit, (2) such holders deliver to the General Partner an opinion of independent counsel to the effect that there is a substantial risk that its interest in the Partnership does not or will not satisfy the 19.5% Limit and (3) the General Partner agrees with the conclusions referred to in clauses (1) and (2) of this sentence, such agreement not to be unreasonably withheld; provided, however, that if, as a result of such

conclusion, such holders' interest in the Partnership is reduced pursuant to the last sentence of Section 18.7 hereof (which procedure shall be available to such holders to the exclusion of the procedure under this sentence for so long as, on a cumulative basis, sales of 10% or fewer of the Series J Preferred Units originally issued by the Partnership would in the opinion of the above-referenced counsel reduce the risk that such holders' interest in the Partnership would not satisfy the 19.5% Limit to less than a substantial risk, and thereafter shall be a permitted alternative to the procedure pursuant to this sentence) or the risk of such holder not satisfying the 19.5% Limit otherwise is reduced below a substantial risk, then an exchange in whole under this sentence shall not be permitted unless and until a change in facts occurs and a further determination by such holders is made under this sentence.

(ii) Notwithstanding anything to the contrary set forth in<u>Section 18.8.A(i)</u>, if an Exchange Notice (as defined herein) has been delivered to the General Partner, then the General Partner may, at its option, within ten (10) Business Days after receipt of the Exchange Notice, elect to cause the Partnership to redeem all or a portion of the outstanding Series J Preferred Units for cash in an amount equal to the original Capital Contribution per Series J Preferred Unit and all accrued and unpaid distributions thereon to the date of redemption. If the General Partner elects to redeem fewer than all of the outstanding Series J Preferred Units, the number of Series J Preferred Units that the total by each holder to be redeemed shall equal such holder's *pro rata* share (based on the percentage of the aggregate number of outstanding Series J Preferred Units that the total number of Series J Preferred Units held by such holder represents) of the aggregate number of Series J Preferred Units being redeemed.

(iii) In the event an exchange of all Series J Preferred Units pursuant to <u>Section 18.8.A</u> would violate the provisions on ownership limitation of the General Partner set forth in Section 7 of the Third Article of the Articles Supplementary to the Charter with respect to Series J Preferred Shares (the "<u>Series J Articles Supplementary</u>"), each holder of Series J Preferred Units shall be entitled to exchange, pursuant to the provisions of <u>Section 18.8.B</u>, a number of Series J Preferred Units which would comply with the provisions on the ownership limitation of the General Partner set forth in such Section 7 of the Series J Articles Supplementary, with respect to such holder, and any Series J Preferred Units not so exchanged (the "<u>Excess Units</u>") shall be redeemed by the Partnership for cash in an amount equal to the original Capital Contribution per Excess Unit, plus any accrued and unpaid distributions thereon to the date of redemption subject to any restriction thereon contained in any debt instrument or agreement of the Partnership. In the event an exchange would result in Excess Units, as a condition to such exchange, each holder, sufficient to assure the General Partner that the holder's ownership of stock of the General Partner (without regard to the limits described above) will not cause any individual to own in excess of 9.0% of the stock of the General Partner; and (ii) to the extent such holder can so represent and covenant without obtaining information from its owners, the holder's ownership of tenants of the Partnership and its affiliates. For purposes of determining the number of Excess Units under this <u>Section 18.8.A(iii)</u>, the "Beneficial Ownership Limit" and "Constructive Ownership Limit" set forth in the Series J Articles Supplementary shall be deemed to be 9.0%. To the extent the General Partner would not be able to pay the cash set forth above in exchange for the Excess Units, and to the extent consistent with the Charter, the General Partner agrees that it will grant to the holders of the

Supplementary sufficient to allow such holders to exchange all of their Series J Preferred Units for Series J Preferred Stock<u>provided</u> such holders furnish to the General Partner representations acceptable to the General Partner in its sole and absolute discretion which assure the General Partner that such exceptions will not jeopardize the General Partner's tax status as a REIT for purposes of federal and applicable state law. Notwithstanding any provision of this Agreement to the contrary, no Series J Limited Partner shall be entitled to effect an exchange of Series J Preferred Units for Series J Preferred Shares to the extent that ownership or right to acquire such shares would cause the Partner or any other Person or, in the opinion of counsel selected by the General Partner, may cause the Partner or any other Person, to violate the restrictions on ownership and transfer of Series J Preferred Shares to the terms of the Charter. To the extent any such attempted exchange for Series J Preferred Shares would be in violation of the previous sentence, it shall be void *ab initio* and such Series J Limited Partner shall not acquire any rights or economic interest in the Series J Preferred Shares otherwise issuable upon such exchange.

(iv) The redemption of Series J Preferred Units described in <u>Section 18.8.A(ii) and (iii)</u> shall be subject to the provisions of <u>Section 18.5.B(i)</u> and <u>Section 18.5.C(ii)</u>; <u>provided</u>, <u>however</u>, that the term "Redemption Price" in such<u>Sections 18.5.B(i) and 18.5.C(ii)</u> shall be read to mean the original Capital Contribution per Series J Preferred Unit being redeemed as set forth on <u>Exhibit A</u> plus all accrued and unpaid distributions to the redemption date.

# B. Procedure for Exchange and/or Redemption of Series J Preferred Units

(i) Any exchange shall be exercised pursuant to a notice of exchange (the 'Exchange Notice") delivered to the General Partner by the Partners representing at least 51% of the outstanding Series J Preferred Units (or by Contributor in the case of an exchange pursuant to the last sentence of Section 18.8.A.(ii) hereof) by (a) fax and (b) by certified mail postage prepaid. The General Partner may effect any exchange of Series J Preferred Units, or exercise its option to cause the Partnership to redeem any portion of the Series J Preferred Units for cash pursuant to Section 18.8.A(iii) or redeem Excess Units pursuant to Section 18.8.A(iii), by delivering to each holder of record of Series J Preferred Units, within ten (10) Business Days following receipt of the Exchange Notice, (a) if the General Partner elects to cause the Partnership to acquire any of the Series J Preferred Units then outstanding, (1) certificates representing the Series J Preferred Shares being issued in exchange for the Series J Preferred Units of such holder being exchange and (2) a written notice (a "Redemption Notice") stating (A) the redemption price, (C) the place or places where the Series J Preferred Units are to be surrendered and (D) that distributions on the Series J Preferred Units will cease to accrue on such redemption date, or (b) if the General Partner elects to cause the Partnership to cause the Partnership to redeem dange corresponding Partnership Interest represented thereby deemed terminated) simultaneously with the delivery of shares of Series J Preferred Units shall be deemed canceled (and any corresponding Partnership Interest representing the exchange for cash, a Redemption Notice. Series J Preferred Units represented thereby deemed terminated) simultaneously with the delivery of shares of Series J Preferred Units shall deliver any canceled certificates representing Series J Preferred Units represented to the office of General Partner (which currently is located at Pier 1, Bay 1, San

Francisco, California 94111) within ten (10) Business Days of the exchange or redemption with respect thereto. Notwithstanding anything to the contrary contained herein, any and all Series J Preferred Units to be exchanged for Series J Preferred Stock pursuant to this <u>Section 18.8</u> shall be so exchanged in a single transaction at one time. As a condition to exchange, the General Partner may require the holders of Series J Preferred Units to make such representations as may be reasonably necessary for the General Partner to establish that the issuance of Series J Preferred Shares pursuant to the exchange shall not be required to be registered under the Securities Act or any state securities laws. Any Series J Preferred Shares issued pursuant to this <u>Section 18.8</u> shall be delivered as shares which are duly authorized, validly issued, fully paid and nonassessable, free of any pledge, lien, encumbrance or restriction other than those provided in the Charter, the Bylaws of the General Partner, the Securities Act and relevant state securities or blue sky laws.

(ii) In the event of an exchange of Series J Preferred Units for Series J Preferred Shares, an amount equal to the accrued and unpaid distributions to the date of exchange on any Series J Preferred Units tendered for exchange shall (i) accrue on the Series J Preferred Shares into which such Series J Preferred Units are exchanged, and (ii) continue to accrue on such Series J Preferred Units, which shall remain outstanding following such exchange, with the General Partner as the holder of such Series J Preferred Units. Notwithstanding anything to the contrary set forth herein, in no event shall a holder of a Series J Preferred Unit that was validly exchanged for Series J Preferred Shares pursuant to this section (other than the General Partner holding such Series J Preferred Unit following any such exchange), receive a distribution out of Available Cash of the Partnership, if such holder, after exchange, is entitled to receive a distribution out of Available Cash with respect to the Series J Preferred Shares for which such Series J Preferred Unit was exchanged or redeemed. Further for purposes of the foregoing, in the event of an exchange of Series J Preferred Units for Series J Preferred Shares, if the accrued and unpaid distributions per Series J Preferred Unit is not the same for each Series J Preferred Unit, the accrued and unpaid distributions per Series J Preferred Shares, if the

Unit for each such Series J Preferred Unit shall be equal to the greatest amount of such accrued and unpaid distributions per Series J Preferred Unit on any such unit.

(iii) Fractional Series J Preferred Shares are not to be issued upon exchange but, in lieu thereof, the General Partner will pay a cash adjustment based upon the fair market value of the Series J Preferred Shares on the day prior to the exchange date as determined in good faith by the Board of Directors of the General Partner.

C. <u>Adjustment of Exchange Price</u>. In case the General Partner shall be a party to any transaction (including, without limitation, a merger, consolidation, statutory share exchange, tender offer for all or substantially all of the General Partner's capital stock or sale of all or substantially all of the General Partner's assets), in each case as a result of which the Series J Preferred Shares will be converted into the right to receive shares of capital stock, other securities or other property (including cash or any combination thereof), each Series J Preferred Unit will thereafter be exchangeable into the kind and amount of shares of capital stock and other securities and property receivable (including cash or any combination thereof) upon the consummation of such transaction by a holder of that number of Series J Preferred Shares or fraction thereof into which one Series J Preferred Unit was exchangeable immediately prior to such transaction. The General Partner may not become a party to any such transaction unless the terms thereof are consistent with the foregoing.

Accrued but unpaid distributions on the Series K Preferred Units will accumulate as of the Preferred Unit Distribution Payment Date on which they first become payable.

#### C. Priority as to Distributors.

(i) So long as any Series K Preferred Units are outstanding, no distribution of cash or other property shall be authorized, declared, paid or set apart for payment on or with respect to any class or series of Partnership Interest represented by Junior Units, nor shall any Junior Units or Parity Preferred Units (including the Series J Preferred Units, the Series L Preferred Units, the Series M Preferred Units and the Series O Preferred Units) be redeemed, purchased or otherwise acquired for any consideration (or any monies be paid to or made available for a sinking fund for the redemption of any such Junior Units or Parity Preferred Units) by the Partnership (except by conversion into or exchange for other Junior Units or Parity Preferred Units) unless, in each case, full cumulative distributions have been or contemporaneously are authorized and paid or authorized and a sum sufficient for the payment thereof set apart for such payment on the Series K Preferred Units and all classes and series of

(iii) Notwithstanding anything to the contrary set forth herein, distributions on Partnership Interests held by either (a) the General Partner or (b) any other holder of Partnership Interest in the Partnership, in each case ranking junior to or on parity with the Series K Preferred Units may be made, without preserving the priority of distributions described in <u>Sections 19.3.C(i) and (ii)</u>, but (i) only to the extent such distributions are required to preserve the real estate investment trust status of the General Partner and (ii) in the case of any holder other than the General Partner only to the extent required by the Partnership Agreement.

### Section 19.5 Redemption

A. <u>Redemption</u>. The Series K Preferred Units may not be redeemed prior to April 17, 2007. On or after such date, the Partnership shall have the right to redeem the Series K Preferred Units, in whole or in part, at any time or from time to time, upon not less than 30 nor more than 60 days' written notice, at a redemption price, payable in cash, equal to the Capital Account balance of the holder of Series K Preferred Units (the "<u>Redemption Price</u>"); <u>provided</u>, <u>however</u>, that no redemption pursuant to this <u>Section 19.5</u> will be permitted if the Redemption Price does not equal or exceed the original Capital Contribution of such holder plus the cumulative Priority Return to the redemption date to the extent not previously distributed. If fewer than all of the outstanding Series K Preferred Units are to be redeemed, the Series K Preferred Units to be redeemed shall be selected *pro rata* (as nearly as practicable without creating fractional units).

B. <u>Limitation on Redemption</u>. (i) The Redemption Price of the Series K Preferred Units (other than the portion thereof consisting of accumulated but unpaid distributions) is payable solely out of the sale proceeds of capital stock of the General Partner, which will be contributed by the General Partner to the Partnership as an additional capital contribution, or out of the sale of limited partner interests in the Partnership and from no other source. For purposes of the preceding sentence, "capital stock" means any equity securities (including Common Stock and Preferred Stock (as such terms are defined in the Charter)), depository shares, interests, participation or other ownership interests (however designated) and any rights (other than debt securities convertible into or exchangeable for equity securities) or options to purchase any of the foregoing.

(ii) The Partnership may not redeem fewer than all of the outstanding Series K Preferred Units unless all accumulated and unpaid distributions have been paid on all Series K Preferred Units for all quarterly distribution periods terminating on or prior to the date of redemption.

C. <u>Procedures for Redemption.</u> (i) Notice of redemption will be (i) faxed, and (ii) mailed by the Partnership, by certified mail, postage prepaid, not less than 30 nor more than 60 days prior to the redemption date, addressed to the respective holders of record of the Series K Preferred Units at their respective addresses as they appear on the records of the Partnership. No failure to give or defect in such notice shall affect the validity of the

proceedings for the redemption of any Series K Preferred Units except as to the holder to whom such notice was defective or not given. In addition to any information required by law, each such notice shall state: (a) the redemption date, (b) the Redemption Price, (c) the aggregate number of Series K Preferred Units to be redeemed and if fewer than all of the outstanding Series K Preferred Units are to be redeemed, the number of Series K Preferred Units to be redeemed held by such holder, which number shall equal such holder's *pro rata* share (based on the percentage of the aggregate number of outstanding Series K Preferred Units that the total number of Series K Preferred Units held by such holder represents) of the aggregate number of Series K Preferred Units to be redeemed, (d) the place or places where such Series K Preferred Units are to be surrendered for payment of the Redemption Price, (e) that distributions on the Series K Preferred Units to be redeemed will cease to accumulate on such redemption date and (f) that payment of the Redemption Price will be made upon presentation and surrender of such Series K Preferred Units.

(ii) If the Partnership gives a notice of redemption in respect of Series K Preferred Units (which notice will be irrevocable) then, by 12:00 noon, New York City time, on the redemption date, the Partnership will deposit irrevocably in trust for the benefit of the Series K Preferred Units being redeemed funds sufficient to pay the applicable Redemption Price and will give irrevocable instructions and authority to pay such Redemption Price to the holders of the Series K Preferred Units by such holders at the place designated in the notice of redemption. On and after the date of redemption, distributions will cease to accumulate on the Series K Preferred Units or portions thereof called for redemption, nuless the Partnership defaults in the payment thereof. If any date fixed for redemption of Series K Preferred Units is not a Business Day, then payment of the Redemption Price payable on such date will be made on the next succeeding day that is a Business Day (and without any interest or other payment in respect of any such delay) except that, if such Business Day falls in the next calendar year, such payment will be made on the immediately preceding Business Day, in each case with the same force and effect as if made on such date fixed for redemption. If payment of the Redemption Price is improperly withheld or refused and not paid by the Partnership, distributions on such Series K Preferred Units will continue to accumulate from the original redemption date to the date of payment, in which case the actual payment date will be considered the date fixed for redemption for purposes of calculating the applicable Redemption Price.

### Section 19.6 Voting Rights

A. General. Holders of the Series K Preferred Units will not have any voting rights or right to consent to any matter requiring the consent or approval of the Limited Partners, except as set forth below and in Section 7.3.E.

B. <u>Certain Voting Rights</u>. So long as any Series K Preferred Units remain outstanding, the Partnership shall not, without the affirmative vote of the holders of at least two-thirds of the Series K Preferred Units outstanding at the time (i) authorize or create, or increase the authorized or issued amount of, any class or series of Partnership Interests ranking prior to the Series K Preferred Units with respect to payment of distributions or rights upon liquidation, dissolution or winding-up or reclassify any Partnership Interests of the Partnership into any such Partnership Interest, or create, authorize or issue any obligations or security convertible into or evidencing the right to purchase any such Partnership Interests, (ii) authorize or create, or

increase the authorized or issued amount of any Parity Preferred Units or reclassify any Partnership Interest of the Partnership into any such Partnership Interest or create, authorize or issue any obligations or security convertible into or evidencing the right to purchase any such Partnership Interests but only to the extent such Parity Preferred Units are issued to an affiliate of the Partnership, other than the General Partner to the extent the issuance of such interests was to allow the General Partner to issue corresponding preferred stock to persons who are not affiliates of the Partnership or (iii) either consolidate, merge into or with, or convey, transfer or lease its assets substantially as an entirety to, any corporation or other entity or amend, alter or repeal the provisions of the Partnership Agreement (including, without limitation, this Article 19), whether by merger, consolidation or otherwise, in each case in a manner that would materially and adversely affect the powers, special rights, preferences, privileges or voting power of the Series K Preferred Units or the holders thereof; provided, however, that with respect to the occurrence of any event set forth in (iii) above, so long as (a) the Partnership is the surviving entity and the Series K Preferred Units remain outstanding with the terms thereof unchanged, or (b) the resulting, surviving or transferee entity (I) is a partnership, limited liability company or other pass-through entity organized under the laws of any state, (II) is not taxable as a corporation for U.S. federal income tax purposes and (III) substitutes the Series K Preferred Units for other interests in such entity having substantially the same terms and rights as the Series K Preferred Units, including with respect to distributions, voting rights and rights upon liquidation, dissolution or winding-up, then the occurrence of any such event shall not be deemed to materially and adversely affect such rights, privileges or voting powers of the holders of the Series K Preferred Units; and provided further, that any increase in the amount of Partnership Interests or the creation or issuance of any other class or series of Partnership Interests represented by Junior Units or Parity Preferred Units are not issued to an affiliate of the Partnership, other than the General Partner to the extent the issuance of such interests was to allow the General Partner to issue corresponding preferred stock to persons who are not affiliates of the Partnership, shall not be deemed to materially and adversely affect such rights, preferences, privileges or voting powers.

#### Section 19.7 Transfer Restrictions

The Series K Preferred Units shall be subject to the provisions of Article 11 hereof; provided, however, that the Series K Preferred Units shall not be subject to the right of first refusal of the General Partner as described in Section 11.3 hereof. No transfer of Series K Preferred Units, or other action by the holder or holders of such Units, is permitted, without the consent of the General Partner which consent may be given or withheld in its sole and absolute discretion, if such transfer or other action would result in more than two partners holding all outstanding Series K Preferred Units within the meaning of Treasury Regulation Section 1.7704-1(h)(1)(ii) (without regard to Treasury Regulation Section 1.7704-1(h)(3)(ii)); provided, however, that the General Partner's consent may not be unreasonably withheld if (a) such transfer or other action would not result in more than five partners holding all outstanding Series K Preferred Units within the meaning of Treasury Regulation Section 1.7704-1(h)(1)(ii) (without regard to Treasury Regulation Section 1.7704-1(h)(3)(ii)); provided, however, that the General Partner's consent may not be unreasonably withheld if (a) such transfer or other action would not result in more than five partners holding all outstanding Series K Preferred Units within the meaning of Treasury Regulation Section 1.7704-1(h)(1)(ii) (without regard to Treasury Regulation Section 1.7704-1(h)(1)(ii) (without

projected results that there exists (in the reasonable judgment of such holders) an imminent and substantial risk that such holder's interest in the Partnership represents or will represent more than 19.5% of the total profits or capital interests in the Partnership for a taxable year (the "<u>19.5% Limit</u>"), (ii) such holders deliver to the General Partner an opinion of independent counsel to the effect that there is a substantial risk that such holder's interest in the Partnership represents or will represent more than 19.5% Limit (determined in accordance with Regulations Section 1.731-2(e)(4)), and (iii) the General Partner agrees with the conclusions referred to in clauses (i) and (ii) of this sentence, such agreement not to be unreasonably withheld, then such holders shall, subject to the above limitations, be permitted to transfer so much of their Series K Preferred Units as may be appropriate to alleviate the risk of not satisfying the 19.5% Limit to the trust described in <u>Exhibit J</u>, with such holders having the rights set forth in such Exhibit.

### Section 19.8 Exchange Rights

A. Right to Exchange. (i) Series K Preferred Units will be exchangeable in whole but not in part unless expressly otherwise provided herein at anytime on or after October 30, 2012, at the option of the holders of 51% of all outstanding Series K Preferred Units, for authorized but previously unissued Series K Preferred Shares at an exchange rate of one Series K Preferred Share from the General Partner for one Series K Preferred Unit, subject to adjustment as described below (the "Exchange Price"), provided that the Series K Preferred Units will become exchangeable at any time, in whole but not in part unless expressly otherwise provided herein, at the option of the holders of 51% of all outstanding Series K Preferred Units for Series K Preferred Shares if at any time full distributions shall not have been timely made on any Series K Preferred Unit with respect to six (6) prior quarterly distribution periods, whether or not consecutive, provided, however, that a distribution in respect of Series K Preferred Units shall be considered timely made if made within two (2) Business Days after the applicable Preferred Unit Distribution Payment Date if at the time of such late payment there shall not be any prior quarterly distribution periods in respect of which full distributions were not timely made. Furthermore, the Series K Preferred Units, if the holders of 51% of all outstanding Series K Preferred Units so determine, may be exchanged in whole but not in part (regardless of whether held by one or more holders) for Series K Preferred Shares if (1) the holders of 51% of all outstanding Series K Preferred Units conclude based on results or projected results that there exists (in the reasonable judgment of such holder) an imminent and substantial risk that the holder's interest in the Partnership represents or will represent more than the 19.5% Limit, (2) such holders deliver to the General Partner an opinion of independent counsel to the effect that there is a substantial risk that its interest in the Partnership does not or will not satisfy the 19.5% Limit and (3) the General Partner agrees with the conclusions referred to in clauses (1) and (2) of this sentence, such agreement not to be unreasonably withheld; provided, however, that if, as a result of such conclusion, such holders' interest in the Partnership is reduced pursuant to the last sentence of Section 19.7 hereof (which procedure shall be available to such holders to the exclusion of the procedure under this sentence for so long as, on a cumulative basis, sales of 10% or fewer of the Series K Preferred Units originally issued by the Partnership would in the opinion of the above-referenced counsel reduce the risk that such holders' interest in the Partnership would not satisfy the 19.5% Limit to less than a substantial risk, and thereafter shall be a permitted alternative to the procedure pursuant to this sentence) or the risk of such holder not satisfying the 19.5% Limit otherwise is reduced below a substantial risk, then an exchange in

whole under this sentence shall not be permitted unless and until a change in facts occurs and a further determination by such holders is made under this sentence.

(ii) Notwithstanding anything to the contrary set forth in<u>Section 19.8.A(i)</u>, if an Exchange Notice (as defined herein) has been delivered to the General Partner, then the General Partner may, at its option, within ten (10) Business Days after receipt of the Exchange Notice, elect to cause the Partnership to redeem all or a portion of the outstanding Series K Preferred Units for cash in an amount equal to the original Capital Contribution per Series K Preferred Unit and all accrued and unpaid distributions thereon to the date of redemption. If the General Partner elects to redeem fewer than all of the outstanding Series K Preferred Units, the number of Series K Preferred Units held by each holder to be redeemed shall equal such holder's *pro rata* share (based on the percentage of the aggregate number of outstanding Series K Preferred Units that the total number of Series K Preferred Units held by such holder represents) of the aggregate number of Series K Preferred Units being redeemed.

(iii) In the event an exchange of all Series K Preferred Units pursuant to Section 19.8.A would violate the provisions on ownership limitation of the General Partner set forth in Section 7 of the Third Articles of the Articles Supplementary to the Charter with respect to Series K Preferred Shares (the "Series K Articles Supplementary"), each holder of Series K Preferred Units shall be entitled to exchange, pursuant to the provisions of Section 19.8.B, a number of Series K Preferred Units which would comply with the provisions on the ownership limitation of the General Partner set forth in such Section 7 of the Series K Articles Supplementary, with respect to such holder, and any Series K Preferred Units not so exchanged (the "Excess Units") shall be redeemed by the Partnership for cash in an amount equal to the original Capital Contribution per Excess Unit, plus any accrued and unpaid distributions thereon to the date of redemption subject to any restriction thereon contained in any debt instrument or agreement of the Partnership. In the event an exchange would result in Excess Units, as a condition to such exchange, each holder of such units agrees to provide representations and covenants reasonably requested by the General Partner relating to (i) the widely held nature of the interests in such holder, sufficient to assure the General Partner that the holder's ownership of stock of the General Partner (without regard to the limits described above) will not cause any individual to own in excess of 9.0% of the stock of the General Partner; and (ii) to the extent such holder can so represent and covenant without obtaining information from its owners, the holder's ownership of tenants of the Partnership and its affiliates. For purposes of determining the number of Excess Units under this Section 19.8.A(iii), the "Beneficial Ownership Limit" and "Constructive Ownership Limit" set forth in the Series K Articles Supplementary shall be deemed to be 9.0%. To the extent the General Partner would not be able to pay the cash set forth above in exchange for the Excess Units, and to the extent consistent with the Charter, the General Partner agrees that it will grant to the holders of the Series K Preferred Units exceptions to the Beneficial Ownership Limit and Constructive Ownership Limit set forth in the Series K Articles Supplementary sufficient to allow such holders to exchange all of their Series K Preferred Units for Series K Preferred Stock, provided such holders furnish to the General Partner representations acceptable to the General Partner in its sole and absolute discretion which assure the General Partner that such exceptions will not jeopardize the General Partner's tax status as a REIT for purposes of federal and applicable state law. Notwithstanding any provision of this Agreement to the contrary, no Series K Limited Partner shall be entitled to effect an exchange of Series K Preferred Units for Series K Preferred Shares to the extent that ownership or right to acquire such shares would cause the Partner or any other Person or, in the opinion of

counsel selected by the General Partner, may cause the Partner or any other Person, to violate the restrictions on ownership and transfer of Series K Preferred Shares set forth in the Charter, taking into account any exceptions thereto granted by the Company in accordance with the terms of the Charter. To the extent any such attempted exchange for Series K Preferred Shares would be in violation of the previous sentence, it shall be void *ab initio* and such Series K Limited Partner shall not acquire any rights or economic interest in the Series K Preferred Shares otherwise issuable upon such exchange.

(iv) The redemption of Series K Preferred Units described in <u>Section 19.8.A(ii) and (iii)</u> shall be subject to the provisions of <u>Section 19.5.B(i)</u> and <u>Section 19.5.C(ii)</u>; <u>provided</u>, <u>however</u>, that the term "Redemption Price" in such<u>Sections 19.5.B(i) and 19.5.C(ii)</u> shall be read to mean the original Capital Contribution per Series K Preferred Unit being redeemed as set forth on <u>Exhibit A</u> plus all accrued and unpaid distributions to the redemption date.

### B. Procedure for Exchange and/or Redemption of Series K Preferred Units

(i) Any exchange shall be exercised pursuant to a notice of exchange (the 'Exchange Notice') delivered to the General Partner by the Partners representing at least 51% of the outstanding Series K Preferred Units (or by Contributor in the case of an exchange pursuant to the last sentence of Section 19.8.A.(i) hereof) by (a) fax and (b) by certified mail postage prepaid. The General Partner may effect any exchange of Series K Preferred Units, or exercise its option to cause the Partnership to redeem any portion of the Series K Preferred Units for cash pursuant to Section 19.8.A(ii) or redeem Excess Units pursuant to Section 19.8.A(iii), by delivering to each holder of record of Series K Preferred Units, within ten (10) Business Days following receipt of the Exchange Notice, (a) if the General Partner elects to cause the Partnership to acquire any of the Series K Preferred Units then outstanding, (1) certificates representing the Series K Preferred Shares being issued in exchange for the Series K Preferred Units of such holder being exchanged and (2) a written notice (a "Redemption Notice") stating (A) the redemption date, which may be the date of such Redemption Notice or any other date which is not later than sixty (60) days following the receipt of the Exchange Notice, (B) the redemption price, (C) the place or places where the Series K Preferred Units are to be surrendered and (D) that distributions on the Series K Preferred Units will cease to accrue on such redemption date, or (b) if the General Partner elects to cause the Partnership to redeem all of the Series K Preferred Units then outstanding in exchange for cash, a Redemption Notice. Series K Preferred Units shall be deemed canceled (and any corresponding Partnership Interest represented thereby deemed terminated) simultaneously with the delivery of shares of Series K Preferred Shares (with respect to Series K Preferred Units exchanged) or simultaneously with the redemption date (with respect to Series K Preferred Units redeemed). Holders of Series K Preferred Units shall deliver any canceled certificates representing Series K Preferred Units which have been exchanged or redeemed to the office of General Partner (which currently is located at Pier 1, Bay 1, San Francisco, California 94111) within ten (10) Business Days of the exchange or redemption with respect thereto. Notwithstanding anything to the contrary contained herein, any and all Series K Preferred Units to be exchanged for Series K Preferred Stock pursuant to this Section 19.8 shall be so exchanged in a single transaction at one time. As a condition to exchange, the General Partner may require the holders of Series K Preferred Units to make such representations as may be reasonably necessary for the General Partner to establish that the issuance of Series K Preferred Shares pursuant to the exchange shall not be required to

be registered under the Securities Act or any state securities laws. Any Series K Preferred Shares issued pursuant to this Section 19.8 shall be delivered as shares which are duly authorized, validly issued, fully paid and nonassessable, free of any pledge, lien, encumbrance or restriction other than those provided in the Charter, the Bylaws of the General Partner, the Securities Act and relevant state securities or blue sky laws.

The certificates representing the Series K Preferred Shares issued upon exchange of the Series K Preferred Units shall contain the following legend:

THE SHARES REPRESENTED BY THIS CERTIFICATE MAY NOT BE TRANSFERRED, SOLD, ASSIGNED, PLEDGED, HYPOTHECATED OR OTHERWISE DISPOSED OF EXCEPT (A) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "ACT"), AND STATE SECURITIES LAWS OR (B) IF THE CORPORATION HAS BEEN FURNISHED WITH A SATISFACTORY OPINION OF COUNSEL FOR THE HOLDER OF THE SHARES REPRESENTED HEREBY, OR OTHER EVIDENCE SATISFACTORY TO THE CORPORATION, THAT SUCH TRANSFER, SALE, ASSIGNMENT, PLEDGE, HYPOTHECATION OR OTHER DISPOSITION IS EXEMPT FROM THE PROVISIONS OF SECTION 5 OF THE ACT AND STATE SECURITIES LAWS AND THE RULES AND REGULATIONS THEREUNDER.

(ii) In the event of an exchange of Series K Preferred Units for Series K Preferred Shares, an amount equal to the accrued and unpaid distributions to the date of exchange on any Series K Preferred Units tendered for exchange shall (i) accrue on the Series K Preferred Shares into which such Series K Preferred Units are exchanged, and (ii) continue to accrue on such Series K Preferred Units, which shall remain outstanding following such exchange, with the General Partner as the holder of such Series K Preferred Units. Notwithstanding anything to the contrary set forth herein, in no event shall a holder of a Series K Preferred Unit that was validly exchanged for Series K Preferred Shares pursuant to this section (other than the General Partner holding such Series K Preferred Unit following any such exchange), receive a distribution out of Available Cash of the Partnership, if such holder, after exchange, is entitled to receive a distribution out of Available Cash with respect to the Series K Preferred Unit was exchanged or redeemed. Further for purposes of the foregoing, in the event of an exchange of Series K Preferred Units for Series K Preferred Unit is not the same for each Series K Preferred Unit, the accrued and unpaid distributions per Series K Preferred Unit is not the greatest amount of such accrued and unpaid distributions per Series K Preferred Unit shall be equal to the greatest amount of such accrued and unpaid distributions per Series K Preferred Unit shall be equal to the greatest amount of such accrued and unpaid distributions per Series K Preferred Unit shall be equal to the greatest amount of such accrued and unpaid distributions per Series K Preferred Unit shall be equal to the greatest amount of such accrued and unpaid distributions per Series K Preferred Unit of such accrued and unpaid distributions per Series K Preferred Unit on any such unit.

(iii) Fractional Series K Preferred Shares are not to be issued upon exchange but, in lieu thereof, the General Partner will pay a cash adjustment based upon the fair market value of the Series K Preferred Shares on the day prior to the exchange date as determined in good faith by the Board of Directors of the General Partner.

C. Adjustment of Exchange Price. In case the General Partner shall be a party to any transaction (including, without limitation, a merger, consolidation, statutory share exchange, tender offer for all or substantially all of the General Partner's capital stock or sale of all or substantially all of the General Partner's assets), in each case as a result of which the Series K Preferred Shares will be converted into the right to receive shares of capital stock, other securities or other property (including cash or any combination thereof), each Series K Preferred Unit will thereafter be exchangeable into the kind and amount of shares of capital stock and other securities and property receivable (including cash or any combination of such transaction by a holder of that number of Series K Preferred Shares or fraction thereof into which one Series K Preferred Unit was exchangeable immediately prior to such transaction. The General Partner may not become a party to any such transaction unless the terms thereof are consistent with the foregoing.

# Section 19.9 No Conversion Rights

The Series K Preferred Units shall not be convertible into any other class or series of interest in the Partnership.

Section 19.10 No Sinking Fund

No sinking fund shall be established for the retirement or redemption of Series K Preferred Units.

#### ARTICLE 20. SERIES L PREFERRED UNITS

### Section 20.1 Designation and Number

A series of Partnership Units in the Partnership designated as the 6 1/2% Series L Cumulative Redeemable Preferred Units (the <u>Series L Preferred Units</u>) is hereby established. The number of Series L Preferred Units shall be 2,300,000.

#### Section 20.2 Ranking

The Series L Preferred Units shall, with respect to distribution rights and rights upon voluntary or involuntary liquidation, winding up or dissolution of the Partnership, rank (i) senior to the Common Units and to all Partnership Units the terms of which provide that such Partnership Units shall rank junior to the Series L Preferred Units; (ii) on a parity with the Series J Preferred Units, the Series K Preferred Units, the Series M Preferred Units, the Series O Preferred Units and all other Parity Preferred Units; and (iii) junior to all Partnership Units which rank senior to the Series L Preferred Units.

#### Section 20.3 Distributions

A. <u>Payments of Distribution</u>. Subject to the rights of holders of Parity Preferred Units (including Series J Preferred Units, Series K Preferred Units, Series M Preferred Units and Series O Preferred Units) as to the payment of distributions, pursuant to <u>Section 5.1</u>, <u>Section 18.3.A</u>, <u>Section 19.3.A</u>, <u>Section 21.3A</u> and <u>Section 22.3.A</u> hereof, the General Partner, as

holder of the Series L Preferred Units, will be entitled to receive, when, as and if declared by the Partnership acting through the General Partner, out of Available Cash, cumulative preferential cash distributions in an amount equal to the Series L Priority Return. Such distributions will be payable (A) quarterly in arrears, on the 15<sup>th</sup> day of January, April, July and October of each year and (B) in the event of a redemption of Series L Preferred Units, on the redemption date (each a "<u>Series L Preferred Unit</u> <u>Distribution Payment Date</u>"), commencing on the first of such payment dates to occur following their original date of issuance. If any date on which distributions are to be made on the Series L Preferred Units is not a Business Day, then payment of the distribution to be made on such date will be made on the next succeeding day that is a Business Day (and without any interest or other payment in respect of any such delay) except that, if such Business Day is in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day, in each case with the same force and effect as if made on such date.

B. <u>No Distributions in Contravention of Agreements</u>. No distribution on the Series L Preferred Units shall be authorized by the General Partner or made or set apart for payment by the Partnership at such time as the terms and provisions of any agreement of the Partnership or the General Partner, including any agreement relating to indebtedness, prohibits such declaration, payment or setting apart for payment or provides that such declaration, payment or setting apart for payment shall be restricted or prohibited by law.

C. <u>Priority as to Distributions</u>. (i) Except to the extent set forth in <u>Section 20.3.C(ii)</u>, so long as any Series L Preferred Units are outstanding, no distribution of cash or other property shall be authorized, declared, paid or set apart for payment on or with respect to any class or series of Partnership Interest represented by Junior Units, nor shall any Junior Units or Parity Preferred Units (including the Series J Preferred Units, the Series K Preferred Units, the Series M Preferred Units and the Series O Preferred Units) be redeemed, purchased or otherwise acquired for any consideration (or any monies be paid to or made available for a sinking fund for the redemption of any such Junior Units or Parity Preferred Units) by the Partnership (except by conversion into or exchange for other Junior Units or Parity Preferred Units) unless, in each case, full cumulative distributions have been or contemporaneously are authorized and paid or authorized and a sum sufficient for the payment thereof set apart for such payment on the Series L Preferred Units for all past distribution periods and the current distribution period. The foregoing sentence will not prohibit (a) distributions payable solely in Junior Units, (b) the exchange of Junior Units or Parity Preferred Units (including Series J Preferred Units, Series K Preferred Units, Series M Preferred Units and Series O Preferred Units) into Partnership Interests of the Partnership Junior to the Series L Preferred Units as to distributions, or (c) the redemption of Partnership Interests corresponding to Series J Preferred Shares, Series M Preferred Shares, and Series O Preferred Shares) with respect to distributions or Junior Stock to be purchased by the General Partner pursuant to the Charter to preserve the General Partner's status as a real estate investment trust, <u>provided</u> that such redemption shall be upon the same terms as the corresponding stock purchase pursuant to the Charter.

(ii) So long as distributions have not been paid in full (or a sum sufficient for such full payment is not so set apart) upon the Series L Preferred Units and any other Parity Preferred Units (including Series J Preferred Units, Series K Preferred Units, Series M Preferred Units and Series O Preferred Units), all distributions authorized and declared on the Series L

Preferred Units and all classes or series of outstanding Parity Preferred Units (including the Series J Preferred Units, Series K Preferred Units, Series M Preferred Units and Series O Preferred Units) shall be authorized and declared *pro rata* so that the amount of distributions authorized and declared per Series L Preferred Unit and such other classes or series of Parity Preferred Units shall in all cases bear to each other the same ratio that accrued distributions per Series L Preferred Unit and such other classes or series of Parity Preferred Units (which shall not include any accumulation in respect of unpaid distributions for prior distribution periods if such class or series of Parity Preferred Units do not have cumulative distribution rights) bear to each other. No interest, or sum of money in lieu of interest, shall be payable in respect of any distributions or payments on Series L Preferred Units which may be in arrears.

D. <u>No Further Rights</u>. The General Partner, as holder of the Series L Preferred Units, shall not be entitled to any distributions, whether payable in cash, other property or otherwise, in excess of the full cumulative distributions described herein. Any distribution payment made on the Series L Preferred Units shall first be credited against the earliest accrued but unpaid distribution due with respect to such Series L Preferred Units which remain payable.

### Section 20.4 Liquidation Proceeds

A. Upon voluntary or involuntary liquidation, dissolution or winding-up of the Partnership, distributions on the Series L Preferred Units shall be made in accordance with Article 13 of this Agreement.

B. Notice. Written notice of any such voluntary or involuntary liquidation, dissolution or winding-up of the Partnership, stating the payment date or dates when, and the place or places where, the amounts distributable in such circumstances shall be payable, shall be given by the General Partner pursuant to Section 13.6 hereof.

C. <u>No Further Rights</u>. After payment of the full amount of the liquidating distributions to which they are entitled, the General Partner, as holder of the Series L Preferred Units, will have no right or claim to any of the remaining assets of the Partnership.

D. <u>Consolidation, Merger or Certain Other Transactions</u> None of a consolidation or merger of the Partnership with or into another entity, a merger of another entity with or into the Partnership, or a sale, lease, transfer or conveyance of all or substantially all of the Partnership's property or business shall be considered a liquidation, dissolution or winding up of the Partnership.

#### Section 20.5 Redemption

A. <u>Redemption</u>. The Series L Preferred Units may not be redeemed prior to June 23, 2008. If, on or after such date, the General Partner elects to redeem any of the Series L Preferred Shares, the Partnership shall, on the date set for redemption of such Series L Preferred Shares, redeem the number of Series L Preferred Units equal to the number of Series L Preferred Shares for which the General Partner has given notice of redemption pursuant to Section 5 of Article Third of the Series L Articles Supplementary, at a redemption price, payable in cash, equal to the product of (i) the number of Series L Preferred Units being redeemed, and (ii) the sum of \$25 and the Preferred Distribution Shortfall per Series L Preferred Unit, if any.

B. <u>Payment of Accumulated Distributions</u>. Immediately prior to any redemption of Series L Preferred Units, the Partnership shall pay, in cash, any accumulated and unpaid distributions on the Series L Preferred Units to be redeemed through the redemption date. Except as provided above, the Partnership will make no payment or allowance for unpaid distributions, whether or not in arrears, on Series L Preferred Units for which a notice of redemption has been given.

C. Procedures for Redemption. The following provisions set forth the procedures for Redemption:

- (i) Notice of redemption will be given by the General Partner to the Partnership concurrently with the notice of the General Partner sent to the holders of its Series L Preferred Shares in connection with such redemption. Such notice shall state: (A) the redemption date; (B) the redemption price; (C) the number of Series L Preferred Units to be redeemed; (D) the place or places where the Series L Preferred Units are to be surrendered for payment of the redemption price; and (E) that distributions on the Series L Preferred Units to be redeemed will cease to accumulate on such redemption date. If less than all of the Series L Preferred Units are to be redeemed, the notice shall also specify the number of Series L Preferred Units to be redeemed.
- (ii) On or after the redemption date, the General Partner shall present and surrender the certificates, if any, representing the Series L Preferred Units to the Partnership at the place designated in the notice of redemption and thereupon the redemption price of such Units (including all accumulated and unpaid distributions up to the redemption date) shall be paid to the General Partner and each surrendered Unit certificate, if any, shall be canceled. If fewer than all the Units represented by any such certificate representing Series L Preferred Units are to be redeemed, a new certificate shall be issued representing the unredeemed shares.
- (iii) From and after the redemption date (unless the Partnership defaults in payment of the redemption price), all distributions on the Series L Preferred Units designated for redemption in such notice shall cease to accumulate and all rights of the General Partner, except the right to receive the redemption price thereof (including all accumulated and unpaid distributions up to the redemption date), shall cease and terminate, and such Units shall not be deemed to be outstanding for any purpose whatsoever. At its election, the Partnership, prior to a redemption date, may irrevocably deposit the redemption price (including accumulated and unpaid distributions date) of the Series L Preferred Units so called for redemption in trust for the General Partner with a bank or trust company, in which case the redemption notice to General Partner shall (A) state the date of such deposit, (B) specify the office of such bank or trust company as the place of payment of the redemption price and (C) require the General Partner to surrender the certificates, if any, representing such Series L Preferred Units at such place on or about the

date fixed in such redemption notice (which may not be later than the redemption date) against payment of the redemption price (including all accumulated and unpaid distributions to the redemption date). Any monies so deposited which remain unclaimed by the General Partner at the end of two years after the redemption date shall be returned by such bank or trust company to the Partnership.

E. <u>No Further Rights</u>. Any Series L Preferred Units that shall at any time have been redeemed shall, after such redemption, have the status of authorized but unissued Preferred Units, without designation as to series until such shares are once more designated as part of a particular series by the General Partner.

## Section 20.6 Voting Rights

The General Partner shall not have any voting or consent rights in respect of its partnership interest represented by the Series L Preferred Units.

Section 20.7 Transfer Restrictions

The Series L Preferred Units shall not be transferable.

Section 20.8 No Conversion Rights

The Series L Preferred Units shall not be convertible into any other class or series of interest in the Partnership.

Section 20.9 No Sinking Fund

No sinking fund shall be established for the retirement or redemption of Series L Preferred Units.

# ARTICLE 21. SERIES M PREFERRED UNITS

# Section 21.1 Designation and Number

A series of Partnership Units in the Partnership designated as the 6<sup>3</sup>/<sub>4</sub>% Series M Cumulative Redeemable Preferred Units (the "Series M Preferred Units") is hereby established. The number of Series M Preferred Units shall be 2,300,000.

## Section 21.2 Ranking

The Series M Preferred Units shall, with respect to distribution rights and rights upon voluntary or involuntary liquidation, winding up or dissolution of the Partnership, rank (i) senior to the Common Units and to all Partnership Units the terms of which provide that such Partnership Units shall rank junior to the Series M Preferred Units; (ii) on a parity with the Series J Preferred Units, the Series L Preferred Units, the Series O

Preferred Units and all other Parity Preferred Units; and (iii) junior to all Partnership Units which rank senior to the Series M Preferred Units.

# Section 21.3 Distributions

A. <u>Payments of Distribution</u>. Subject to the rights of holders of Parity Preferred Units (including Series J Preferred Units, Series K Preferred Units, Series L Preferred Units and Series O Preferred Units) as to the payment of distributions, pursuant to <u>Section 5.1</u>, <u>Section 18.3.A</u>, <u>Section 19.3.A</u>, <u>Section 20.3.A</u> and <u>Section 22.3.A</u> hereof, the General Partner, as holder of the Series M Preferred Units, will be entitled to receive, when, as and if declared by the Partnership acting through the General Partner, out of Available Cash, cumulative preferential cash distributions in an amount equal to the Series M Priority Return. Such distributions will be payable (A) quarterly in arrears, on the 15<sup>th</sup> day of January, April, July and October of each year and (B) in the event of a redemption of Series M Preferred Units, on the redemption date (each a <u>Series M Preferred Units</u>), commencing on the first of such payment dates to occur following their original date of issuance. If any date on which distributions are to be made on the Series M Preferred Units to be made on the area on the next succeeding day that is a Business Day (and without any interest or other payment in respect of any such delay) except that, if such Business Day is in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day, in each case with the same force and effect as if made on such date.

B. <u>No Distributions in Contravention of Agreements</u>. No distribution on the Series M Preferred Units shall be authorized by the General Partner or made or set apart for payment by the Partnership at such time as the terms and provisions of any agreement of the Partnership or the General Partner, including any agreement relating to indebtedness, prohibits such declaration, payment or setting apart for payment or provides that such declaration, payment or setting apart for payment shall be restricted or prohibited by law.

C. <u>Priority as to Distributions</u>. (i) Except to the extent set forth in <u>Section 21.3.C(ii)</u>, so long as any Series M Preferred Units are outstanding, no distribution of cash or other property shall be authorized, declared, paid or set apart for payment on or with respect to any class or series of Partnership Interest represented by Junior Units, nor shall any Junior Units or Parity Preferred Units (including the Series J Preferred Units, the Series K Preferred Units, the Series L Preferred Units and the Series O Preferred Units) be redeemed, purchased or otherwise acquired for any consideration (or any monies be paid to or made available for a sinking fund for the redemption of any such Junior Units or Parity Preferred Units) by the Partnership (except by conversion into or exchange for other Junior Units or Parity Preferred Units) unless, in each case, full cumulative distributions have been or contemporaneously are authorized and paid or authorized and a sum sufficient for the payment thereof set apart for such payment on the Series M Preferred Units for all past distribution periods and the current distribution period. The foregoing sentence will not prohibit (a) distributions payable solely in Junior Units, (b) the exchange of Junior Units or Parity Preferred Units and Series O Preferred Units, (b) the exchange of Junior Units or Parity Preferred Units (including the Series J Preferred Units, Series K Preferred Units, Series L Preferred Units and Series O Preferred Units, into Partnership Interests of the Partnership ranking junior to the Series M Preferred Units, Series M Preferred Shares, Parity

Preferred Stock (including Series J Preferred Shares, Series K Preferred Shares, Series L Preferred Shares and Series O Preferred Shares) with respect to distributions or Junior Stock to be purchased by the General Partner pursuant to the Charter to preserve the General Partner's status as a real estate investment trust, <u>provided</u> that such redemption shall be upon the same terms as the corresponding stock purchase pursuant to the Charter.

(ii) So long as distributions have not been paid in full (or a sum sufficient for such full payment is not so set apart) upon the Series M Preferred Units and any other Parity Preferred Units (including the Series J Preferred Units, Series K Preferred Units, Series L Preferred Units and Series O Preferred Units), all distributions authorized and declared on the Series M Preferred Units and all classes or series of outstanding Parity Preferred Units (including the Series J Preferred Units, Series K Preferred Units, Series L Preferred Units and Series O Preferred Units) shall be authorized and declared *pro rata* so that the amount of distributions authorized and declared per Series M Preferred Unit and such other classes or series of Parity Preferred Units shall in all cases bear to each other the same ratio that accrued distributions per Series M Preferred Unit and such other classes or series of Parity Preferred Units (which shall not include any accumulation in respect of unpaid distributions for prior distribution periods if such class or series of Parity Preferred Units do not have cumulative distribution rights) bear to each other. No interest, or sum of money in lieu of interest, shall be payable in respect of any distributions or payments on Series M Preferred Units which may be in arrears.

D. <u>No Further Rights</u>. The General Partner, as holder of the Series M Preferred Units, shall not be entitled to any distributions, whether payable in cash, other property or otherwise, in excess of the full cumulative distributions described herein. Any distribution payment made on the Series M Preferred Units shall first be credited against the earliest accrued but unpaid distribution due with respect to such Series M Preferred Units which remain payable.

#### Section 21.4 Liquidation Proceeds

A. Upon voluntary or involuntary liquidation, dissolution or winding-up of the Partnership, distributions on the Series M Preferred Units shall be made in accordance with Article 13 of this Agreement.

B. <u>Notice</u>. Written notice of any such voluntary or involuntary liquidation, dissolution or winding-up of the Partnership, stating the payment date or dates when, and the place or places where, the amounts distributable in such circumstances shall be payable, shall be given by the General Partner pursuant to <u>Section 13.6</u> hereof.

C. <u>No Further Rights</u>. After payment of the full amount of the liquidating distributions to which they are entitled, the General Partner, as holder of the Series M Preferred Units, will have no right or claim to any of the remaining assets of the Partnership.

D. <u>Consolidation, Merger or Certain Other Transactions</u> None of a consolidation or merger of the Partnership with or into another entity, a merger of another entity with or into the Partnership, or a sale, lease, transfer or conveyance of all or substantially all of the Partnership's property or business shall be considered a liquidation, dissolution or winding up of the Partnership.

#### Section 21.5 Redemption

A. <u>Redemption</u>. The Series M Preferred Units may not be redeemed prior to November 25, 2008. If, on or after such date, the General Partner elects to redeem any of the Series M Preferred Shares, the Partnership shall, on the date set for redemption of such Series M Preferred Shares, redeem the number of Series M Preferred Units equal to the number of Series M Preferred Shares for which the General Partner has given notice of redemption pursuant to Section 5 of Article Third of the Series M Articles Supplementary, at a redemption price, payable in cash, equal to the product of (i) the number of Series M Preferred Units being redeemed, and (ii) the sum of \$25 and the Preferred Distribution Shortfall per Series M Preferred Unit, if any.

B. <u>Payment of Accumulated Distributions</u>. Immediately prior to any redemption of Series M Preferred Units, the Partnership shall pay, in cash, any accumulated and unpaid distributions on the Series M Preferred Units to be redeemed through the redemption date. Except as provided above, the Partnership will make no payment or allowance for unpaid distributions, whether or not in arrears, on Series M Preferred Units for which a notice of redemption has been given.

C. Procedures for Redemption. The following provisions set forth the procedures for Redemption:

- (i) Notice of redemption will be given by the General Partner to the Partnership concurrently with the notice of the General Partner sent to the holders of its Series M Preferred Shares in connection with such redemption. Such notice shall state: (A) the redemption date; (B) the redemption price; (C) the number of Series M Preferred Units to be redeemed; (D) the place or places where the Series M Preferred Units are to be surrendered for payment of the redemption price; and (E) that distributions on the Series M Preferred Units to be redeemed will cease to accumulate on such redemption date. If less than all of the Series M Preferred Units are to be redeemed, the notice shall also specify the number of Series M Preferred Units to be redeemed.
- (ii) On or after the redemption date, the General Partner shall present and surrender the certificates, if any, representing the Series M Preferred Units to the Partnership at the place designated in the notice of redemption and thereupon the redemption price of such Units (including all accumulated and unpaid distributions up to the redemption date) shall be paid to the General Partner and each surrendered Unit certificate, if any, shall be canceled. If fewer than all the Units represented by any such certificate representing Series M Preferred Units are to be redeemed, a new certificate shall be issued representing the unredeemed shares.
- (iii) From and after the redemption date (unless the Partnership defaults in payment of the redemption price), all distributions on the Series M Preferred Units designated for redemption in such notice shall cease to accumulate and all rights of the General Partner, except the right to

receive the redemption price thereof (including all accumulated and unpaid distributions up to the redemption date), shall cease and terminate, and such Units shall not be deemed to be outstanding for any purpose whatsoever. At its election, the Partnership, prior to a redemption date, may irrevocably deposit the redemption price (including accumulated and unpaid distributions to the redemption date) of the Series M Preferred Units so called for redemption in trust for the General Partner with a bank or trust company, in which case the redemption notice to General Partner shall (A) state the date of such deposit, (B) specify the office of such bank or trust company as the place of payment of the redemption price and (C) require the General Partner to surrender the certificates, if any, representing such Series M Preferred Units at such place on or about the date fixed in such redemption notice (which may not be later than the redemption date) against payment of the redemption price (including all accumulated and unpaid distributions to the redemption date). Any monies so deposited which remain unclaimed by the General Partner at the end of two years after the redemption date shall be returned by such bank or trust company to the Partnership.

E. <u>No Further Rights</u>. Any Series M Preferred Units that shall at any time have been redeemed shall, after such redemption, have the status of authorized but unissued Preferred Units, without designation as to series until such shares are once more designated as part of a particular series by the General Partner.

### Section 21.6 Voting Rights

If any date on which distributions are to be made on the Series O Preferred Units is not a Business Day, then payment of the distribution to be made on such date will be made on the next succeeding day that is a Business Day (and without any interest or other payment in respect of any such delay) except that, if such Business Day is in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day, in each case with the same force and effect as if made on such date.

B. <u>No Distributions in Contravention of Agreements</u>. No distribution on the Series O Preferred Units shall be authorized by the General Partner or made or set apart for payment by the Partnership at such time as the terms and provisions of any agreement of the Partnership or the General Partner, including any agreement relating to indebtedness, prohibits such declaration, payment or setting apart for payment or provides that such declaration, payment or setting apart for payment shall be restricted or prohibited by law.

C. <u>Priority as to Distributions</u>. (i) Except to the extent set forth in <u>Section 22.3.C(ii)</u>, so long as any Series O Preferred Units are outstanding, no distribution of cash or other property shall be authorized, declared, paid or set apart for payment on or with respect to

The foregoing sentence will not prohibit (a) distributions payable solely in Junior Units, (b) the exchange of Junior Units or Parity Preferred Units, Gincluding the Series J Preferred Units, Series K Preferred Units, Series L Preferred Units and Series M Preferred Units) into Partnership Interests of the Partnership ranking junior to the Series O Preferred Units into Partnership Interests, Series C Preferred Shares, Parity Preferred Stock (including Series J Preferred Units as to distributions, or (c) the redemption of Partnership Interests corresponding to Series O Preferred Shares, Parity Preferred Stock (including Series J Preferred Shares, Series K Preferred Shares, Series L Preferred Shares, and Series O Preferred Shares) with respect to distributions or Junior Stock to be purchased by the General Partner pursuant to the Charter to preserve the General Partner's status as a real estate investment trust, <u>provided</u> that such redemption shall be upon the same terms as the corresponding stock purchase pursuant to the Charter.

(ii) So long as distributions have not been paid in full (or a sum sufficient for such full payment is not so set apart) upon the Series O Preferred Units and any other Parity Preferred Units (including the Series J Preferred Units, Series K Preferred Units, Series L Preferred Units and Series M Preferred Units, all distributions authorized and declared on the Series O Preferred Units and all classes or series of outstanding Parity Preferred Units (including the Series J Preferred Units, Series K Preferred Units, Series L Preferred Units and Series M Preferred Units) shall be authorized and declared *pro rata* so that the amount of distributions authorized and declared per Series O Preferred Unit and such other classes or series of Parity Preferred Units (shall in all cases bear to each other the same ratio that accrued distributions periods if such class or series of Parity Preferred Units (which shall not include any accumulation in respect of unpaid distributions for prior distribution periods if such class or series of Parity Preferred Units do not have cumulative distribution rights) bear to each other. No interest, or sum of money in lieu of interest, shall be payable in respect of any distributions or payments on Series O Preferred Units which may be in arrears.

D. <u>No Further Rights</u>. The General Partner, as holder of the Series O Preferred Units, shall not be entitled to any distributions, whether payable in cash, other property or otherwise, in excess of the full cumulative distributions described herein. C. <u>No Further Rights</u>. After payment of the full amount of the liquidating distributions to which they are entitled, the General Partner, as holder of the Series O Preferred Units, will have no right or claim to any of the remaining assets of the Partnership.

D. <u>Consolidation, Merger or Certain Other Transactions</u> None of a consolidation or merger of the Partnership with or into another entity, a merger of another entity with or into the Partnership, or a sale, lease, transfer or conveyance of all or substantially all of the Partnership's property or business shall be considered a liquidation, dissolution or winding up of the Partnership.

(h) <u>Ambiguity</u>. In the case of an ambiguity in the application of any of the provisions of this<u>Exhibit J</u>, including any definition contained in subsection (a), the General Partner shall have the power to determine the application of the provisions of this <u>Exhibit J</u> with respect to any situation based on the facts known to it. In the event that a provision of this <u>Exhibit J</u> requires an action by the General Partner and <u>Exhibit J</u> fails to provide specific guidance with respect to such action, the General Partner shall have the power to determine the action to be taken so long as such action is not contrary to the provisions of <u>Exhibit J</u>. Absent a decision to the contrary by the General Partner (which the General Partner may make in its sole and absolute discretion), if a Person would have (but for the remedies set forth in subsection (b)) acquired Constructive Ownership Or Partnership Units in violation of subsection (b)(i), such remedies (as applicable) shall apply first to the Partnership Units which, but for such remedies, would have been Constructively Owned (but not actually owned) by such Person, *pro rata* among the Persons who actually own such Partnership Units based upon the relative number of the Partnership Units held by each such Person.
